

"Traditional marriage"	America is "the greatest country in the world."	Rubio finds a way to make Latino voters hate him.	"Hard-working, middle-class families"	Trump inserts random, irrelevant attack into response.
Complete indifference to the issue of climate change.	Candidate begs moderators to say something and then adds nothing of value.	Candidate says first act as president will be to undo something Obama did.	Carson clearly has no idea what he's talking about.	"Ronald Reagan"
"Responsible gun owners"	"Liberal media"	"Hillary Clinton"	Kasich looks like he's on the verge of weeping.	Fiorina says something to make her sound really smart that turns out not to be true.
Reference to Hillary Clinton's emails.	Paul surprisingly looks like the sensible candidate.	"Benghazi"	"Deeply held religious beliefs"	Bush tries desperately to distance himself from his dad and brother.
"Obamacare"	This has been "the worst recovery" from a recession.	Reference to entitlements or takers.	Cruz panders to the Republican base.	The rest of the world "doesn't respect us"
