REJECTED PARTY BARN NAME IDEAS

Something truly marvelous has happened, everyone. In what is either a tremendous, if not misguided, display of trust in this student body to not submit almost exclusively wildly inappropriate suggestions or a bout of temporary insanity (more likely the latter), the administration has decided to hold a “naming contest” not only for the building itself, but the four individual rooms within that building. That’s FIVE opportunities to make your mark on Denison history in arguably the best way imaginable: in the form of a hastily constructed deubauchery barn. This is genuinely the greatest thing to happen here in a long time, an opportunity RICH with potential. I personally, am stoked. And so I’d like to run some ideas by y’all before submitting it to the boys in corporate. Here goes nothing!

| 11. “The 2 Million Dollar Party Tent” | |

*Since there is already a Lisska Center in Gilpatrick House, the current Lisska Center would have to rebrand. But doesn’t this seem like a better fit?

CAMPUS CRIME REPORT FROM ZACH

The following are all crimes, policy violations and gross property damage that have occurred at Denison from 9/1-9/24 as reported in Campus Safety’s daily crime log. The daily crime log is public information and mandated under the U.S. Clery Act of 1990. Names of individuals are not recorded in the log due to overlapping federal privacy protections for students. Not all records in the log are reported here, either because they are transporting an ill person, minor property damage or are not newsworthy. “GPD” stands for the Granville Police Department and “LMH” stands for Licking Memorial Hospital.
