JOIN THE BULLSHEET

HEAR YE, HEAR YE!

Do you like late nights in a dank office shoving trail mix into your mouth so quickly you worry you might actually suffocate? Do you enjoy vaguely uncomfortable sit-downs with administrators after using their full names in contexts they aren't exactly thrilled with? Do you crave friendships that exist on GroupMe and GroupMe alone?

JOIN THE BULLSHEET!

The Bullsheet is on the hunt for people looking to join our Mötley Crüe as writers and editors. So if you like writing and editing (but not in the way ya think!) please email bullsheet@denison.edu and let us know you would like an application. Then, you'll fill it out, give it back to us, we'll look it over, laugh uproariously, and the rest will be history. May the odds be ever in your favor.

XOXO,
The Bullsheet Staff

EDITOR'S NOTE (IF YOU'RE NOT CONVINCED)

Me: Zach, why should people join The Bullsheet?
Zach: [REDACTED] And trail mix.
Me: Can you give me a PG-13 reason?
Zach: Since when is trail mix not PG-13?

HAPPY NATIONAL...NUT DAY!

Hiya folx! Hope y'all had a ~~raging~~ productive Fall Break with tons of ~~wild partying~~ rest. I know that we're all super ~~devastated~~ excited to be back in the swing of things. And who wouldn't be, with so much to celebrate. Take today, for example—**October 22, National Nut Day!**

That's right—National! Nut! Day! What a delightful holiday (unless you're one of my roommates, half of whom have nut allergies. Sorry guys. Look on the brightside, though—natural selection hasn't gotten you yet!) But to all the nut lovers out there—this one's for you.

And that's really all there is to say on the matter! No jokes to be made here. None at all. Nope. Get your minds out of the gutter. Today's about protein, folate fiber, and *maybe* magnesium. Nothing else, you freaks. Nuts away Denison!
