QUIZ TIME: WHICH OF THE MOONIES ARE YOU?

THE DAY IS UPON US!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

As I type these words on the Bullsheet's rapidly decaying computer, it is the eve of the Moonies. The equinox, if you will. The eclipse? The entering of a new phase? God, I'm good.

Anyway, I thought what better day than the Moonies debut to treat everyone to a fun little quiz to figure out which of the Moonie rooms is the best fit for YOU or your organization. Let's get started- tally up the amount of each letter you get at the end!

1. Woah! The Moonies are BYOB? So cool! What drink are you bringing?

- a) Fireball, from Giant Eagle. I heard IGA Checks blue IDs and I already got mine taken once in Connecticut this summer!
- b) A craft beer, maybe!
- c) Milk
- d) Ain't no laws when you're drinkin claws, AMIRITE? Haha, just kidding Dean Farley. We know there are rules!
- e) Beer warmed up in the microwave. Why, you ask? It tastes like the Sunnies, and what once was.

2. A collaborative playlist! What a dope idea! If someone hands you aux... what do you choose?

- a) My friend back home has a Soundcloud and he's ACTUALLY good!
- b) Maybe like Maggie Rogers? More lowkey but for sure a crowd pleaser, right?
- c) Bjork
- d) Stacy's Mom! SUCH a classic. Unless you guys think it's misogynistic? Wait I change my-
- e) Closer by the Chainsmokers. It was good enough in 2016 and it's good enough now, damn it.

3. Relationship status?

- a) It's like we're not DATING dating, but we pretty much are.
- b) Just focusing on me right now :)
- c) Married to the wind
- d) I didn't feel like I really got a chance in the last question to explain how- wait no please just let me-
- e) OBVIOUSLY single

4. Favorite memory of the Sunnies?

- a) The what?
- b) I was never really into them, actually! Looking forward to things getting changed up!
- c) Memory is so fleeting. So delicate...
- d) WHY aren't you letting me TALK?
- e) Gee, where to start, ya know? New friends. First loves. Coming to terms with the fact that as time passes, we change more than we thought possibly imaginable and not at all, at the same time. No I'm not CRYING? SHUT UP

5. What are you looking forward to most about the Moonies?

- a) Just having somewhere to GO, Jesus CHRIST. Oh, sorry no. The barn doors! I meant to say barn doors!
- b) New spaces, new friends!
- c) Just Vibing
- d) *muffled screams*
- e) I guess having somewhere besides bars won't be the WORST thing in the world. This feels like Stockholm syndrome.

FLIP TO BACK FOR ANSWERS...

ANSWERS: WHICH OF THE MOONIES ARE YOU?

If you got...

MOSTLY A:

NEW MOON- You are most likely a first-year. Which is fine, nobody's perfect. You are full of optimism and have an unbroken spirit. As you should! This is your MOMENT! I don't know what the fuck you guys have been doing since getting here since none of you are old enough to get into bars, but I must say, I am genuinely happy for y'all. Way to fight the good fight.

MOSTLY B:

CRESCENT MOON- You seem to be someone who deep down really wants to let loose, break free a little bit. The Sunnies were just holding you back! It wasn't your scene, and that's fine. You've been reserved, but now it's your time to shine. Go get em.

MOSTLY C:

GIBBOUS MOON- Alright, no one really knows what the fuck is going on with you and is way too scared to ask. Pull it together. Milk? Fucking MILK? You're freaking everyone out.

MOSTLY D:

FULL MOON- I don't even want to dignify this with a response. You know what you did. So basic, uninspired, SO predictable. Do not contact me again. "Stacy's Mom" give me a BREAK.

MOSTLY E:

BONUS ANSWER: THE SUNNIES- You're probably a senior, and a shell of who you once were. You're nostalgic, but keenly aware that things will never be the same. That's a jagged little pill. You're trying to stay positive, really, you are, but it's hard. Just look on the bright side: this is going to be very good for your tab at Moe's and your financial wellbeing. Well, that, or you'll just be drunker. Good luck!

JOIN THE BULLSHEET!

HEAR YE, HEAR YE!

Do you like late nights in a dank office shoving trail mix into your mouth so quickly you worry you might actually suffocate? Do you enjoy vaguely uncomfortable sit-downs with administrators after using their full names in contexts they aren't exactly thrilled with? Do you crave friendships that exist on GroupMe and GroupMe alone?

JOIN THE BULLSHEET!

The Bullsheet is on the hunt for people looking to join our Mötley Crüe as writers and editors. So if you like writing and editing (but not in the way ya think!) please email bullsheet@denison.edu and let us know you would like an application. Then, you'll fill it out, give it back to us, we'll look it over, laugh uproariously, and the rest will be history. May the odds be ever in your favor.

HATERS R MY MOTIVATORS

In an "Editorial Box" in the D*nis*nian, a question was posed, "What's the dirtiest location on campus?" and a certain someone answered, "The Bullsheet office".

And let me just say this...the opposite of love isn't hate. It's indifference. Jealousy is a disease GET WELL SOON HUNNY!!!!!!!!!!!!
