DON'T TEXT: A NEW SERIES FEATURING OUT-OF-CONTEXT TEXTS (AND INSTAGRAM DIRECT MESSAGEZ) JAX RECEIVES

This is a project (read as: major breach of trust) where I have FOR WEEKS been silently hoarding screenshots of important memos I have received and believe the world should be granted access to. All of these messages came either from friends, loved ones, family members, or mortal enemies. These, of course, all occasionally intersect. Can you guess who sent me what??? Have fun!
