HAPPY NATIONAL...DONUT DAY! (also pls vote)

Hi Denison!! It's a beautiful day—the buzzards birds are staring ominously singing, the grass is painted green, the sun is shining (or maybe not. My weather app says it's gonna rain. But hey, never hurts to dream.) A perfect day, dare I say, for **National Donut Day!** (and for voting, which is also happening today)

How to celebrate? It's easy! Head over to your nearest seller of baked goods, and pick up a dozen. Or be a lil naughty and treat yourself to a baker's dozen. I won't tell anyone, teehee! And hey, maybe on the way you could take a teensy tiny detour to your nearest polling place, just for funsies! I hear there's one at the Presbyterian Church at 110 W Broadway Granville OH, 43023! Wowie—isn't that crazy convenient? It's almost so simple that it would be so silly, even irresponsible not to! And then after that, you can eat your donut with the satisfasction that you contributed in a crucial way to democratic society! Yummy!

HUMOR
(AND A LIL PROPAGANDA)

ADDRESSING A CONCERN

Listen up, chucklefucks, I have a bone to pick.

With myself.

Please enjoy the following letter of rage:

Dear dumbass,

Hi, remember me? I'm the bitch whose hair you cut at three in the fucking morning last night, like a goddamn moron. Don't get me wrong here, I'm not ignoring the fact that you used actual hair cutting scissors, worked in increments, scoured your head thoroughly for longer, missed patches. I commend you for all of this meticulous precision in the midst of an anxiety-produced mania, none of this is the source of my problem.

What I have a FUCKDAMN PROBLEM WITH, YOU ABSOLUTE THOT, is that when I woke up this morning, I was greeted by a SINK FULL OF HAIR, and the sallow-eyed, sleep-deprived, GREASY reflection of a woman FULL OF REGRET. And I say "woman" lightly, as the first impression I had of myself when first I gazed upon my likeness in the dirty mirror of my bathroom was something along the lines of WHO THE FUCK DROWNED A RAT IN OLIVE OIL AND LEFT IT ON A STRESSED-ASS HAY-STACK???

The point here is that while I've grown to appreciate the cut, and while it really only took a quick combing and some water to get it to an acceptable state, I will likely never recover from the bloodbath that was that first look in the mirror above a hairy sink.

You bitch.

Know that I may never speak to you again, and frankly you deserve it you depressed motherfucker.

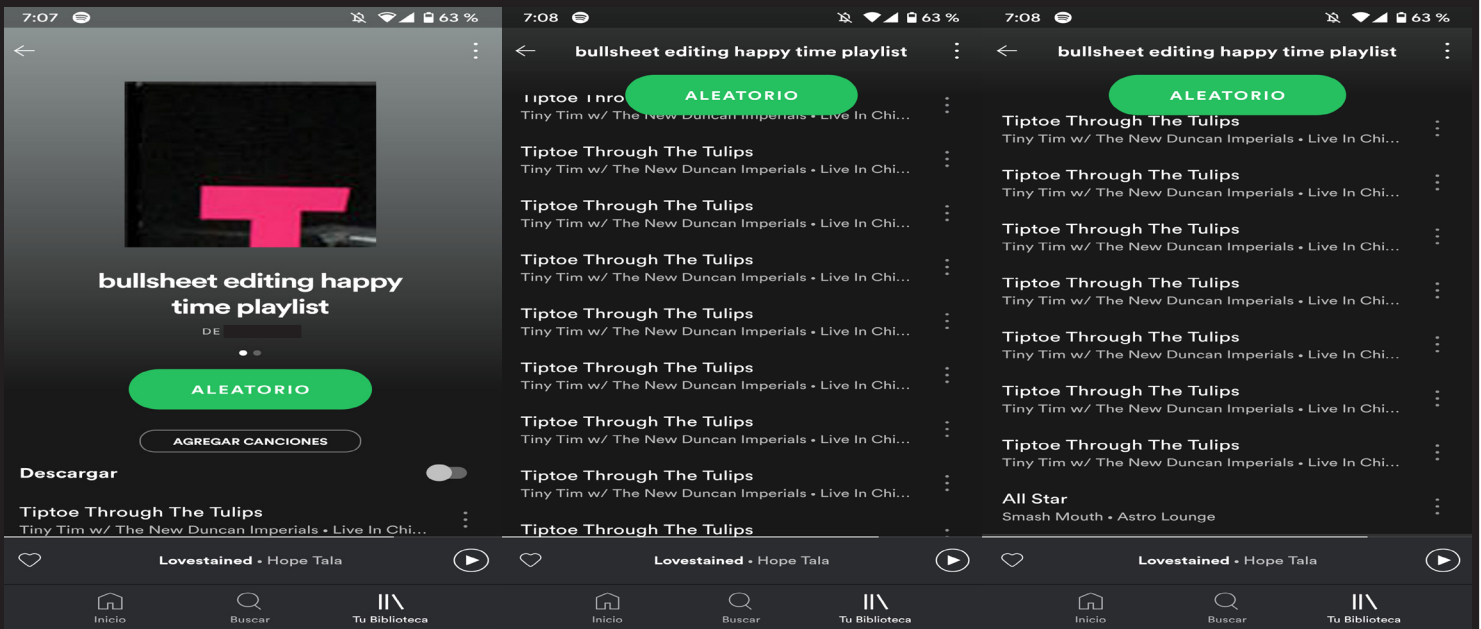

Regards,
Imani Congdon

DEMOCRACY 101 WITH ZACH

HOW TO VOTE: Polls are open from 6:30 am to 7:30 pm today.

Students who are registered to vote at their Denison dorm address on campus vote at the Presbyterian Church at 110 W Broadway Granville OH, 43023.

Any student registered to vote at the Homestead will vote at Bryn Du Mansion at 537 Jones Rd NE, Granville, OH, 43023. The Homestead is a part of Granville Township, not Granville Village, resulting in the different polling locations.

To vote you will need a zero sum utility bill that can be obtained from the Bookstore in Slayter for use of proof of residence to meet Ohio's Voter ID laws.

JOIN OUR ~~CULT~~ PUBLICATION

Do you like late nights in a dank office shoving trail mix into your mouth so quickly you worry you might actually suffocate? Do you enjoy vaguely uncomfortable sit-downs with administrators after using their full names in contexts they aren't exactly thrilled with? Do you crave friendships that exist on GroupMe and GroupMe alone?

The Bullsheet is on the hunt for people looking to join our Mötley Crüe as writers and editors. So if you like writing and editing (but not in the way ya think!) please email bullsheet@denison.edu and let us know you would like an application. Then, you'll fill it out, give it back to us, we'll look it over, laugh uproariously, and the rest will be history. May the odds be ever in your favor.
