CONTROVERSIAL SORBET OPINIONS - SEEKING FEEDBACK

Hello! My name is Bree and I was wondering what the campus thoughts are on sorbet vs icecream when it comes to chocolate chips.

Every day at the Huffman dining hall I put chocolate chips in a bowl of raspberry sorbet. It's my favorite thing to do and I look forward to it every day, and yet my friends never fail to make fun of my beautiful creation!

What the heck is that?!?!

I think that chocolate and raspberry seems like the only logical decision in this instance. Why would anyone ever even question the existence of a creation so beautiful. Thank you.
