## HOT GIRLS WILL SAVE AMERICA!!!!!!!!!!!!

WOOOOOO! It is SUPER TUESDAY (at the time of my writing this). I am writing this at 10:43 am because a truly bizarre practice of mine is editing the 'Sheet when I am most caffeinated, rather than a time more similar to when the rest of my NORMIE staff edits, like the evening. So I haven't seen the results yet because they haven't come out yet so I don't have to acknowledge them.

This morning, like a true Bernie supporter, I made sure to call my mom who voted in North Carolina's primary today to thoughtfully and calmly express why I thought Sanders was the best choice for nominee and was able to sway her (I threatened to beat her within an inch of her life using only sticks)!

So in celebration of that small victory, and as a continuation of Isabella's Women's HERSTORY month celebratory issue from yesterday, I want to acknowledge a cornerstone of Sanders' campaign base very dear to my heart: the #HotGirlsForBernie making a difference. Sanders' campaign is heralded for his refusal to accept donations from private interest groups or Super PACs. Instead, he has tapped a resource infinitely more powerful: endorsements from hot, famous women. You know what they say: "Bernie Hoes before Bernie Bros"!

### **ARIANA GRANDE**

Definetely a #HotGirlForBernie. A talented musician, an advocate for humans and animals alike. Above all, a philanthropist as she somehow managed to convince every 18-28 year old woman in the United States that Pete Davidson is attractive. Penned arguably the most iconic, mind-bogglingly confusing tweet of all time on October 9, 2014 that reads, "my dick is in flames". Need I say more? Plus, she's hot!

### **CAROLINE CALLOWAY**

What a time to be ALIVE! Hero for conventially attractive psychopaths everywhere (my personal hero) CAROLINE CALLOWAY has endorsed Senator Sanders! What she lacks in financial security lending her the faculty to contribute to the campaign monetarily she makes up for in flower crowns, extremely chaotic instagram captions, and butterfly emojis. My favorite thing about Caroline endorsing Bernie is that there is absolutely zero chance Bernie Sanders has any idea who she is. CRAZY GIRLS FOREVER!!!

### **DANNY DEVITO**

I said what I fucking said.

# CONTINUED: HOT GIRLS SAVING AMERICA

## ZOE KRAVITZ

I am not joking when I say that an endorsement from Zoe Kravitz should be enough to convince anyone to vote for a candidate REGARDLESS OF POLICY. She is the final boss of hot girls. Once you defeat every hot girl in the world, Zoe Kravitz will meet you at the gates and you will lose. BIG LITTLE LIES? Unreal. I trust this woman with my life which is why I am relieved that she endorsed the candidate I was going to vote for anyway. I feel affirmed. Her fellow BLL cast member Shailene Woodley (also a Hot Girl) also endorsed Bernie. That's 2 for 5. Laura Dern's silence is deafening. I'm too lazy to check who Reese Witherspoon is endorsing but I would bet my life it's Elizabeth Warren, my second choice.

## SUSAN SARANDON, GOD DAMN IT!

This bitch is a fucking icon!!! An ORIGINAL Hot Girl!!! Not only is she massively talented and has a completely badass career, she's active as fuck in the causes she's passionate about which range from LGBTQ+ rights, ending mass incarceration, anti-war activism and so much more. She's a UNICEF Goodwill ambassador! She fights for what she believes in and looks damn good while doin' it!

On a more serious note, if you are voting in the Ohio Democratic primary or another's state primary as an absentee, VOTE FOR THE CANDIDATE YOU BELIEVE IN. I am so sick and tired of this boo-hoo "hE wOn't beAt TrUmP" or "sHe wOn'T bEaT tRumP" bullshit! We live in what is a very shaky attempt at a democracy, but it is a democracy nonetheless. If we all keep voting like power-hungry, calculated pieces of shit, we will continue to elect power-hungry, calculated pieces of shit. Vote for your candidate because their values align with your own and they have policy plans that reflect those values. Don't vote just in the interest of "beating" Tr\*mp. For me, that's Bernie. If it's Warren for you, vote for Warren. If you believe in Joe Biden for those same reasons beyond just this bullshit "electability" complex, then \*gags\* vote for Biden. Don't vote for Bloomberg tho lol.
