DENISON 10/10: WOULD BECOME A DISCERNING MORAL AGENT AGAIN

Well, here we are near the end. No, not the end of quarantine or the total fun that is Remote Learning, but the last time I am editing the 'Sheet. It is bittersweet for me but also kind of weird being over 2000 miles away from the Bullsheet World HQ and editing this on my bed from high school. Before all of this, I originally planned to write something reflecting the current state of Denison but seeing that these are *Uncertain* times I thought Yelp-like reviews would be better and more fun.

The Bullsheet's Denim Couch: 7 good naps out of not thinking what has happened on those cushions

Stairs up the hill: A metric ass-ton out of who thought it was a good idea to put a college on a hill?

Denison's History: 3 cool things to every instances of racism

Upper Elm 201: 3 amazing room-mates out of oh god I miss them

Columbus, Ohio: 35 minutes away out of... whoops I mean 25 minutes, no... wait.. 15... actually, Denison is located in Columbus

The Bullsheet: Involved in 4 out of every 5 controversies

Knapp Basement Restrooms, 4 out of 5 poops in peace

DCGA: Generator of 3 out of every 5 big controversies and a fucking gold mine for content

Best Feedback on a Paper: "omg" out of "this paper needs an exorcism"

All-nighters: 1 out of never doing that again except tonight because I have class in 3.5 hours

The Archives: 2 great bosses out of I promise I'll reply to your emails

Throwing Tortillas Around A-Quad @2:00 am: 49 picked up out of 1 that landed on top of Herrick

Floor Meetings: The first floor meeting out of 4 I accidentally walked in on during the middle

Degree: BA Political Sciences out of maybe I should have been a Religion minor too?

Campus Safety: 2 being rolled up on out of they are pretty chill once your not a first year

The IGA: #1 provider of Sour Patch Kids Cereal in town

Sigma Chi 214: 1 great person considering what the building symbolically represents who I will also email back

Denison: 4 years of a liberal arts education out of many more that are enjoyable because of it

REJECTED SENIOR VIDEO PHOTOS

As i'm looking through photos to send to the senior video thing, I came across a few that i thought deserved to be in the video but most certainly will be rejected. Honestly some of them might be rejected by the bullsheet too who knows.

1. Unfortunate grave stone placements

Continues on back....

FROM FRONT

2. my hamster that made it a whole two years at Denison without getting caught and is also buried somewhere in the same graveyard as picture 1.

4. a sign that was being sold in a granville store... i thought it was pretty obvious

3. the raccoon outside of crawford that kinda gets it

im honestly only hear for the raccoon

SPONSORED BY: ACADEMIC RESOURCE CENTER

We have heard from students about the challenges that can emerge while studying in isolation and some have shared that they miss the energy of seeing peers studying across campus and the library. In response, the Academic Resource Center is offering Virtual Study Tables as a way to create a shared study experience during finals week. Students will work independently on their own assignments, papers, exam prep. etc. but in a community of peers also engaged in similar aims. Help yourself be more accountable and productive by signing onto the GoogleHangout link at the designated time (individual microphones turned OFF) to attend. The study tables will be offered Sunday, May 3, Tuesday, May 5 and Wednesday, May 6th from 9-11 PM Eastern Daylight Time.
