THE MOST BASIC DORM TAPESTRIES

I know for a fact that 82% of people on this campus have a tapestry in their bedroom and 98% of people have a tapestry in their six-man common room. I have taken the liberty of sharing my least favorite tapestries. I am sorry if your tapestry is on here but it just may be ugly. I have seen many tapestries over the past four years and I am over them honestly, you are basic. Okay, happy decorating XOXO ;) I'm sure your room looks great!
