## WHAT YOUR FAVORITE VEGTABLE SAYS ABOUT YOU

**CARROT** - You are basic. You are are probably a communications or econ major. Pretty nice though.

**SQUASH** - You are probably a vegatarian and it is probably one of your personality traits.

**SPINACH** - You are a vegan and that *IS* your only personality trait.

**GARLIC** - You have a taste for culture. You love to travel and experience life. Not all who wander are lost, am I right?

**BRUSSEL SPROUTS** - You are different from other girls. Why fit in when you were born to stand out~~~~~ Be yourself baby, everyone else is taken. Being quirky is in!

**POTATO** - wellllll..... not everyone can be interesting.....

**SWEET POTATO** - You aren't super interesting but at least you are super kind. You are definitely the type to offer everyone around you gum.

**CELERY** - You wanted to be a nursing major at Iowa or South Carolina but your parents wanted you to get a liberal arts education.

**PUMPKIN** - You love coffee. You are also very smart but it is probably just because you are super productive and you are productive because of all the coffee you drink. Never iced coffee though.... either a hot latte or a chai tea latte, if you want to relax. Anways, you are super productive and organized and like you don't want to look like you try hard, but let's be honest you studied for 5 days straight for that test. It isn't the coffee or your "natural organizational skills" babe.

**TURNIP** - Saturdays are for the BOYS! Am I right??? It is never too early for a Natty Light! We are on the IMs with a few cases and a backwards baseball cap by 11am. Blacked by 2pm. Rally by 8. Let's TURN UP this party.

**CORN** - Here for a good time. You are a chiller, a real "go with the flow" person. No drama for you. Neutral and chillin like Switzerland.

**BEETS** -bears, Battlestar Galactica.

**CAULIFLOWER** - You are a happy person with a big personality and you make everyone around you happy! Go you!

**TOMATO** - It is a fruit, idiot.

# CHUCK BASS AS AN AMERICAN GIRL ?

So you know the teeth that American Girl dolls have? The like little two buck teeth with the gap in between. Very cute. ABSOLUTELY NOTHING wrong with them. But on tiktok I have seen the recent trend of people who realize they have American Girl teeth and are shook. Then I was watching Gossip Girl and realized that Chuck Bass has American Girl teeth. Anyways, do what you will with this information. Honestly, this is nonsense but I am tired and so this is super funny to me in this moment.
