WHO WOULD YOU BE IN THE FEUDAL SYSTEM?

I don't think it would be out of pocket to say that most people on campus right now are pretty stressed out (myself included). Whether it's with school work, the constant fear of your friends hating you, or just straight up anxiety, my advice to you is to straight up repress it and distract yourself with this fascinating, mind numbing quiz about who you would be in the medieval feudal system.

ANSWER KEY

*If you answered mostly A's you're the **KING***

Congratulations you're the Big Poppa! You mooch off of everyone else's hardwork and use the revenues to fuel your gross hobbies such as: incest and I don't know, taxing people? You're a little bit of a bitch because the power has most definitely gone to your head, but don't worry you're only here because of daddy's money.

*If you answered mostly B's you're the **FRIAR***

Yes! Jesus! God! Crosses! Honestly the only reason you became a friar is because you've never had any luck with love. You just wanted to avoid the embarrassment of your family asking you why you've never had any babes in your life every Thanksgiving. You've always had trouble with style, so you love the assigned uniform of a burlap robe. You have no spine so being told what to do all the time is comforting, but you're a lowkey sweetheart.

*If you answered mostly C's you're the **KNIGHT***

You may be the knight but lets be honest you're the real king here ;) You get all of the hotties in the area (hence the book cover) because you get shit done! The only problem is that you want to hit and quit it, but unfortunately you are now paying child support for about 55 kiddos. That blows! Oh well, at least you'll probably die during the next crusade.

*If you answered mostly D's you're the **PEASANT***

Yum yum yum! You're a stud eating raw spuds! Let's celebrate YOU and all of your potato magic <3 because that's the only thing you've got going for you. Dysentary has literally killed 3/5 of your kids, but you've still got those sweet sweet earth apples.
