BETSY WRITES A LETTER

Like anyone else on campus, I'm having a difficult time trying to figure out what to say to my roommate when we part ways. For some reason the simple goodbye that would be permissable for most breaks is just absolutely inappropriate this time around. Being the good samaritan I am, here is a template for saying "au revoir!" to that lovely roomie of yours...

Dear _____,
roommate(s) name(s)

I am going to miss you so much! These past 14 weeks have felt like _____ with
number
you by my side. We have formed so many great memories <3 Remember that weekend in August when you got in my bed and _____ me? That sure did _____ me!

VETERANS DAY?!

A whole year has passed and it's finally my favorite holiday again...Veterans day! Every day I wake up and hope that I am just one day closer to the most exhilarating day of the year, and at long last I can celebrate! Man what an exciting holiday!!! And what better way to do that than to share some interesting tidbits about some random celebrities who are also veterans?

BOB ROSS- Are war crimes also considered happy accidents? Must be if you get picked up by PBS for a show. After serving time in the Air Force, Bob said he never wanted to raise his voice again, giving him that smooth, anxiety reducing rhythm we all know and love.

ICE T- I don't much about Ice T's military career besides that it happened so I'll just include this inspiring tweet from him-

"I love how when MFs get mad at ME, their best diss is 'You're rich!' Like it somehow magically happened or I was born with a Silver spoon... Lol...Eat Multiple Dicks..."

MORGAN FREEMAN- This brings a whole new meaning to God & Guns! Morgan Freeman is the Barbie of real life, I'm pretty sure he has done every effing thing on this planet. So this isn't much of a shocker. Also it's nearly impossible for me to image him young. so anything that happened then I just block out.

HUGH HEFNER- Oh great, the recruitment officers got this perv to fight for our country! Be warned! The captains hat is misleading, Hugh was a part of the army. According to some back-ass military website I found, his time there influenced playboy so I guess that's interesting? idk I'm gonna be honest I don't have a lot to say about this one, he's just a slime ball.
