# VALENTINES FROM THE SHEET

Is buying a rose on the second floor of Slayter just a little *too* intimate of a gift for you to buy for your loved ones? No problem, I'm here to introduce Bullsheet themed valentines (specifically those dumb ones from like 2015). Below you will find 12 valentines that are each inspired by all 12 of our embarrassing staff members. Check out the back for a key to see if you can guess who goes with each card.
