HOW TO WITH JACK MAY

I'm not sure if any of you are familiar with the new HBO series *How To with John Wilson*, but assuming you aren't, let me save you some time: it's a killer concept that is completely ruined by its annoying host, a less sexy Nathan Fielder. Now I thought while watching this over winter break, "hey, I know how to do some stuff. What if I used my platform to share my wisdom with the student body?" You clearly don't have to be too qualified to write How-Tos. WikiHow tried to teach me how to get my crush to like me in ~~high school~~ 7th grade, and they clearly had no clue what they were talking about because that shit did not work. Anyway, without further ado, here's the sheet's first installment of *How To with Jack May*.

How To Tie a Tie

- 1.) Find regular tie
- 2.) Throw it away
- 3.) Buy a clip-on tie
- 4.) Clip-ons are superior
- 5.) "bUt mY DaD TaUghT mE hOw" Yeah well some people don't have prominent father figures present in their lives so stfu and check ur privilege

How To Stay Focused in a Zoom Class

- 1.) Toothpicks under eyelids trick (classic)
- 2.) Keep your mic/camera on the whole time and attend completely nude. You'll be the talk of the town and it'll be impossible to lose interest because you're a narcissist
- 3.) Headbrace that restricts head/neck movement
- 4.) Ketamine?
- 5.) Do the fucking readings. Yes I'm talking to you. You know I'm talking to you. Do it.

HOW TO WITH JACK MAY *continued....*

How To Make Friends

- 1.) Give them COVID so you can go to isolation together <3
- 2.) Denisonians love talking astrology! I know this sounds sarcastic but this would honestly be a good icebreaker at this school probably
- 3.) Talk about how stupid astrology is. Also a genuine icebreaker

How To Edit a Bullsheet

- 1.) Fuck around in the office
- 2.) Open InDesign
- 3.) Fuck around more
- 4.) Fuck around with NERF gun
- 5.) Open NoteBowl without doing any actual work
- 6.) Chicken Caprese from Slayer
- 7.) Fuck it's 2am
- 8.) Vibe

if you are editing I need you to PUT MY FUCKING TITLE IN THIS TIME. THANKS. I MADE SURE TO BOLD IT SO YOU DON'T FORGET. Dumbass

Things on Campus That Are Sexy

- 1.) Egg and cheese croissants. Waking up bright and early to get to Slayer by 8:30 for the most delectable breakfast sammies is now a part of my daily routine.
- 2.) Free laundry (freshmen, if you didn't know, we had to pay up until last semester. I lost like \$50 in coins.)
- 3.) Curtis West printing room. I took it for granted. I miss her so much.
- 4.) Barcroft Dr. Riding your bike down that hill with no helmet is so freeing.
- 5.) The extensive underground boiler system. The tunnels are there for your taking if you really want them.
- 6.) Library basement. Get your freak on in the stacks, or enjoy the sweet, silent serenity that is level B.
- 7.) IM fields. Free your body as nature intended, drink like you want to meet your maker.
- 8.) The Slayer Fourth Floor meditation room. For those who want to expand their consciousness and body count.
- 9.) Library printers. Too much sexual tension, too many printed assignments.
- 10.) Bullsheet Office's couch. Turn those cushions over and you got a whole new piece of furniture. Maybe even a few rare coins.
- 11.) All the bricks on campus being restored. Love seeing it.
- 12.) Shorney. Not necessarily sexy, but take a black light into any room (residential or otherwise) and see the room light up like the Fourth of July.
