The Bullsheet, a forum for news, humor, and community dialogue, is funded by DCGA, run by James and only James, and is printed each day that classes are in session. Submissions must be sent before our editors shamble into the office for next day submission via e-mail to:bullsheet@denison.edu. Submissions herein solely reflect the opinions of the authors.

NO FRIENDS? WE CAN HELP!

Do you think you're funny but you're not? Join the Sheet and become more of a recluse than you already are! Give us your best, and in exchange, we'll whore our sexiest staff members out to you (James and Betsy. Maybe Ellie and Charlie, they're picky.) We desperately need decent writers who can evoke a small chuckle or two from students. Please. Half of the staff doesn't write and rarely do we get submissions. Take some pity on our staff in this tough times.

Any who, benefits of joining include an annual staff meeting, an increase in popularity, and maybe some Slayter food. Want to find out how many drugs you can do in an academic building at once? Do you crave friendships that exist on GroupMe and GroupMe alone? If any of this sounds enticing please email us at bullsheet@denison.edu.

WARNING- Must be sexy as fuck to be a member, no ifs, ands, or buts

MAZE 4 UR BRAIN

THERAPY CORNER

Betsy

- I need my roommate to get out of isolation, I don't think I can spend another day by myself #freelaine
- My managing editor is an effing bitch, I can't take it anymore, we need new management NOW
- James keeps calling his "Southern Comfort" whiskey "SOCO" and its kind of annoying
- Charlie keeps calling everyone "step *insert name here*" I'm not sure how to take that in because he keeps playing footsie with me
- Whoever runs the Denison Virginity Instagram account needs to fess up, please let me know who you are
- I stay in this office till 3am on my own but these past few hours with the staff have been way too long

Charlie

- Denison enforces certain rules in the name of "safety," but not others. For example, Denison letting students eat maskless by the mail room without those plastic guards but not letting fraternities throw outdoor parties... I smell ideological inconsistency. Why do I feel less safe in class than I did last semester outside at a party.
- When white women police your vernacular
- When I realize that Jack May has lived to see another day.
- The trauma from letting **** complain about his girlfriend to me after a failed attempt at seduction
- Now pick my fucking fruit out, hoe

James

- All of my tinder matches are 30+ miles away
- I'm still unemployed for the summer with no direction or semblance of hope
- I can't start my day without a bare minimum of 150mg of caffeine anymore
- I'm a Spanish major who can't speak Spanish
- Ellie just beat the shit out of me
- I've been sitting in this office for a hot minute and Betsy keeps playing the most depressing music and I need a little bit of upbeat something or other just to feel alive but she won't budge from her SadBoy bullshit and I can feel my will to live slowly decline as I keep sitting here listening to this.

Ellie

- The prepackaged sandwiches at Slayter. Why does the PB&J have three slices of bread in one sandwich? Why can't you make a third? It's too bready!
- Whoever has been playing opera in the third floor Crawford boy's bathroom, shut up. Love the passion, hate the volume.
- Why are there so many Elizabeths on this staff? Should I change my middle name..?
- The fact I am so sexy and irresistible.
- Mommy issues. What's up with that? Re: Mitski's "Class of 2013."
- Why does this campus pretend to be handicap accessible.
