FIELD JOURNALISM

- ☐ Northern Ireland will be freed from the effing British

4:10pm - has not happened yet but I have a good feeling

4:50pm - still hasn't happened... crossing my fingers BREXIT

6:06 - still no news, I was told by an anonymous source that seeing Ellie Laird should be good enough for me

- ☐ 4 cases of green vomit someone offered to pull trig for me ♥ thanks!

(someone told me they saw this) *I do feel like this one will happen more @
I'm not sure if I believe them (a green tinted vomit was found in someone's house)
☐ Lucky Charms spotted (does Juju bees shirt count?)

on a t-shirt ♥

*Another one on a shirt

- ☐ 25 people with green alcohol

|||||

- ☐ Run into at least 5 people tripping

(I've heard of a lot of people doing this but I've only personally ran into 1) *If I cared enough I would go the bio and find them

- ☐ How many red heads I see

Natural:

|||||

Fake:

|||||

cigarette burn marks :-
from a fan

- ☐ Someone dances a jig

- a legit one, and they ~~were~~ were wearing "jigging" shoes

- lots of attempted jigs (some shuffling feet from Jake C)

- 6 people in a circle at 12 pm jigged 2

- ☐ Leprechaun/someone bites my ankles

Armie Hammer! Watch out! the "dropkick Murphy's =

- someone did do this to me but they saw the list so I DK if this counts

- ☐ Tally counter of how many people tell me they're actually Irish

|||||

(Someone ~~swore~~ swore they were 99.9% Irish, I don't believe them)

- ☐ Someone attempts to tell me the history of St. Patrick's day

- William Kelsey (are we surprised) told me this... something to do with Christian conversion & anti-shake stuff... green color is new to the lore, I think? ... a lot of catholic reformation

- Blue is the original color but green on Irish flag is about the persecution of Irish people (orange is for Protestants) from Kat

- ☐ Someone from Chicago complains about how much they miss the green river (give Calvin me a break!)

- Someone said they did

"No! The green river is stupid, it just pollutes Lake Michigan" - some person ~~who was~~ who was ~~very~~ nosey
