CAMPUS CRIME REPORT (BUT NOT REALLY)

So I had this pretty sick idea for my last sheet (that James tried to steal) where I would compile a “best of” list of the most outrageous and heinous shit from the campus crime report in one mega crime report for the semester, since we’ve really been dropping the ball on those lately. However, after one of our latest recruits went down to P1 to consult the report (thanks Mick!), we have discovered that the report no longer features crime descriptions. Ergo, crime is no longer funny. Perhaps it never was. Maybe that’s the point. Regardless, this means no campus crime reports for the time being. Nonetheless! I have something better. Below is the official **Jack May 2020-2021 Report of Campus Crimes**, a compilation of the most criminal acts to occur on this campus during this school year. It’s been a crazy hellish ride, but its been a lot of fun. Thanks for sticking it out with us! We’ll be back better than ever in the fall, except with no money. Please give us money.
