10 uniquely human things we all do

- 1) When i say marco you say polo
- 2) bum-bada-bum (you respond bum bum)
- 3) scream into the abyss. We all know someone who's done it why haven't you?
- 4) pretend to not see people when we don't feel like talking to them. I know you see me you know i see you, but in my mind ain't nothing there to be seen,
- 5) Get mad when people respond yes to an either/or question, just make up your mind punk
- 6) Dance naked around a deer skeleton while chanting praises to Adam Weinberg

Sexy Muppets

It is a truth universally acknowleged that a bullsheet editor in possession of too much time, must be in want of muppet themed content.

However little known the feelings or views of such an editor may be on first entering the bullsheet of- fice, this truth is so well fixed in the minds of the read- ership, that they are considered as nothing more than a vessel from which muppet based content must flow.

“My dear Bullsheet editor,” said their lady to them one day, “have you heard the definitive ranking of the sexiest muppets as made by one bored bullsheet editor?”

- 1) Gonzo the Great: Now we all now why he's gonzo the great. It's because of any meritorious nature of his personality (though he's got a rocking one). Nah, it's be- cause he'll make you feel the motion of the ocean.
- 2)Sam the Eagle: He's a Dilt pure and simple. What more can you want?

Something inherently phallic about this man

Now that's the face of a cuckold

- 3) Mrs. Piggy: Mrs. Piggy is a Domme, she loves showing Kermit who's boss (and Kermit loves it too). This topic has already been explored at length in the pages of the bullsheet.
- 4) Fozzy Bear: Fozzy's got the dad bod for keeping ya warm and the big strong arms for holding ya close. Definitely a 10/10 cud- dler, might be a bit of a jungle down there tho.
- 5) Rizzo: Rizzo is a masochist. Life in New York is hard, especially for a rat. But noth- ing is harder than Rizzo when he's being crushed between Animal's thighs.
- 6) Walter: I had no idea that Walter was a muppet character. But apparently he's important. He's a cuckold and has a degrada- tion kink.
