BANGIN' SLANG!

Perusing through the library it's easy to be swept away by the many curiosities that are offered in the strange collection of books Denison has to offer. Recently I found, "The Slang Dictionary," which includes loads of peculiar words and phrases that have unfortunately been deemed "unnecessary" for the modern english language. In order to fully allow the understanding of each word a definition has been provided along with sentence's featuring different sorts of dilemmas.

All-overish - neither sick nor well

"I've been all-overish since conception."

Beef-Headed - stupid, fat-headed, dull

"Being beef-headed during the 'most fun' part of my life...damn...I've wasted so much time."

Cat-in-the-Pan - a traitor

"I feel as if I am a cat-in-the-pan to myself, why can't I just believe in myself?! My family believes in, my friends believe in me. But why not me?"

Dimber-damber - very pretty; a clever rogue who excels his fellows; chief of a gang

"I'll never be the dimber-bamber, I've let too many people down, I could never."

Enemy - time, a clock, the ruthless enemy and tell-tale of idleness and of mankind generally

"The enemy stared at me as I watched my whole life happen before my eyes. Was I taking advantage of all of the beautiful things available to me on this planet?"

Firkytoodle - to cuddle or fondle

"I just want to be firkytoodled, I am so alone."

Guy - a fright, a dowdy ill-dressed person

"I'm just another guy! I own no pants! I need to pull myself together. Get a good reputation attached to this name."

Hogo - a tremendous stench

"When I walk around campus, I can only smell the hogo. Who cares if the plants look nice?"

Irish Apricots - potatoes

"Too many fried irish apricot choices if you ask me..."

Jomer - a sweetheart, or favourite girl

"I'll never be his Jomer, he may say it, but it'll never be true."

Kettle of Fish - a mess or muddle of any kind

"I made a kettle of fish in the toilet, feel free to check."

Long-ghost - a tall, thin, awkward person. Sometimes called "lamp post"

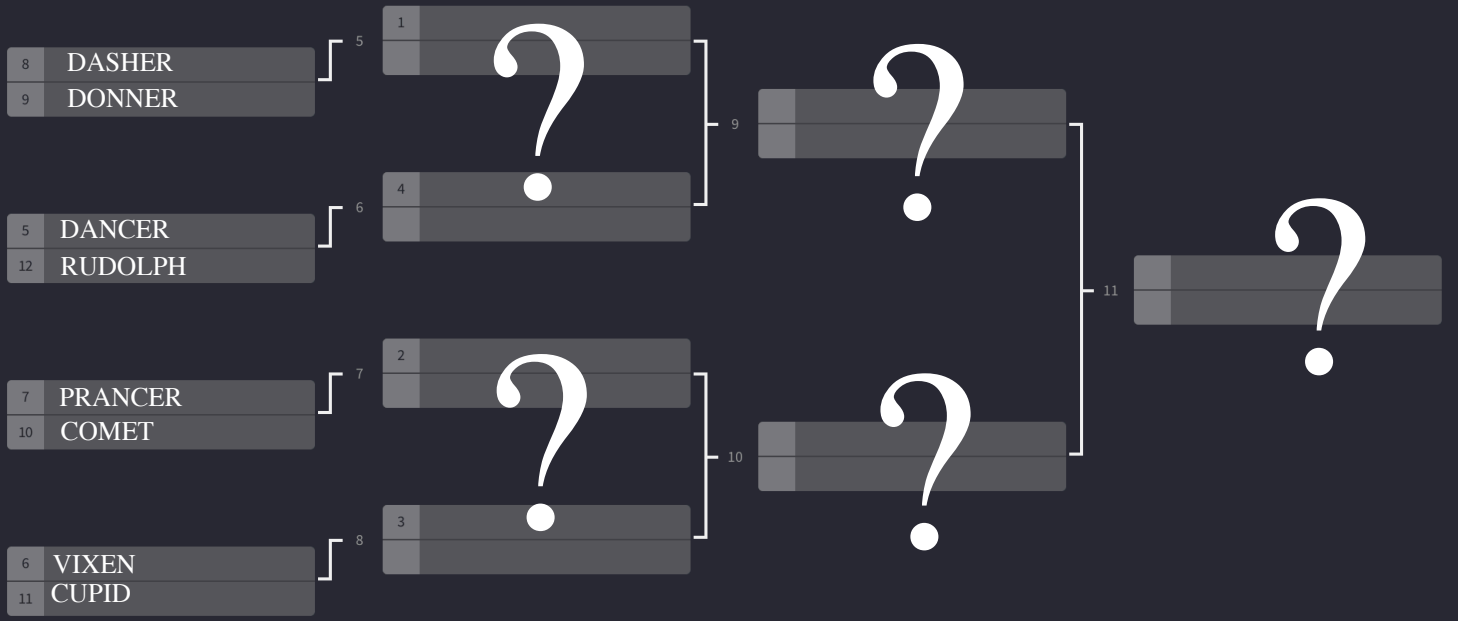

"I saw that long-ghost walking around the other day...oh yeah...I think his name is Jack May."

Mountain-dew - whisky

"Nothin goes down smoother than a Mountain-dew."

CHRISTMAS CARNAGE!

- 1.) Dasher
- 2.) Donner

Dasher obviously isn't fast enough for Donner, who got a decent amount of muscle on him. Donner, (also known as Donder, possible Yeezus reference???) has a heart like no other reindeer. You can take the deer out of the fight, but you can't take the fight out of the deer.

- 3.) Dancer
- 4.) Rudolph The Red Nosed Reindeer**

Rudolph the red nosed reindeer? More like Rudolph the BITCH made reindeer. This dude don't stand a chance because dancer, shout-out Elton John, is not tiny at all. He'd prolly rip Rudolph to shreds. Let's be hornets, the only reason Rudolph has any utility is because of his pimply ass nose, which glows (ew). He'd simply get crushed by the absolutely swole chad that is Dancer.

- 5.) Prancer
- 6.) Comet

Prancer and Comet is perhaps the most even match we have seen. Both are similarly swole, and both are relatively fast. Comet would definitely summon some Christmas spirit though and fucking demolish prancer. If you need further explanation, get a life. I need to as well.

- 7.) Vixen
- 8.) Cupid

Cupid got this one. It may be the name of a love angel but this a reindeer. they're fucking predators. Don't sleep on them. Vixen did. He's fuckin dead now.
