## CHRISTMAS CARNAGE CONTINUED

*Continued from Bullsheet No. 45, November 3rd, 2021...*

- 9.) **Blitzen/Blixem\***
- 10.) **Mrs. Claus**

*Mrs. Claus is no match physically for Blitzen. I mean come on, he's named Blitzen. Mrs. Claus is however, winning this fight solely due to the fact that she is a #GIRLBOSS. She would probably whip out the wooden spoon and show Blitzen that vulgarity is not to be tolerated. And then shed probably make you cookies too. I think I may be sexually attracted to Mrs. Claus.*

- 11.) **Elves**
- 12.) **Santa**

*I'd like to think Santa is a big ancap. He also has been on a pretty terrible diet for the past few years. The elves, tired of centuries of mistreatment and unfair wager as well as hours, decide to unionize and demand fair treatment. Of course, being the artery clogged anarchist he is, Santa has a fucking heart attack on the spot and dies; the elves, consumed with rage and adrenalin, feast on his corpse (too dark? Yeah let's pretend that last part isn't there).*

### FINAL ROUND

*Okay, now we could theoretically do matches until we get into a final, but I'd like to instead theorize about a 6-way battle royale between The Elves, Mrs. Claus, Donner, Dancer, Cupid and Comet.*

*First of all, of all the reindeers, Dancer is definitely the fucking dopest. He could probably take out both Cupid and Comet.*

*From there, Donner would be a largely even fight, but Dancer would fucking rip his heart out. Dancer is the last reindeer standing, although it would probably drain his energy enough for the elves to over power them.*

*The elves, again consumed by rage, try to feast on a still alive Dancer, but Mrs. Claus firmly believes no one should be angry, so she makes them some lasagna instead.*

*Plot twist, she poisoned the lasagna. The elves fucking die. Then, under the guise of tending to Dancer's wound, she fucking murders him too, of mice and men style. Don't fuck with Mrs. Claus.*
