## A BUILDING USED FOR PUBLIC CHRISTIAN OF WORSHIP

Take a woman who has recently given birth to church as a celebration of thanksgiving In Brittany the late 20th century churching was a really common practice becaus basically like women werent allowed to be seen in public until they were readmitted to the church. So that's like what churching was. and like they weren't allowed to be seen in public until after being churched so like they would have to walk through yards ad stuf to get to the church while eveyrone tried not to make eye contact "taht's really weird" " heh yeah" " Like I feel giving birth should be like a holy thing" "well... christianity". " why did you even have church open on your computer?" "they were talking about it in discord"

*Now this begs the question what kind of discord is Phoebe in where she is just talking casually about church? Is she secretly a big fan of churches? Based off my observation of her in the wild I think not, but if someone will write you a three page essay about strega nona and why it is a great book then you really can't tell what's going on in their mind can you?*

"One of my favorite brands of humor is when a dictionary definition uses the word in its definition" "okay that's actually hilarious"

*Man that really is what you get when you put a Theatre/DA major and a Lit nerd in the same room huh*

*\*Every single word is intentional there have been no typos. If you see one no you don't-Phoebe*

## A BUILDING THAT LOOKS LIKE A PAGODA

**pagoda** NOUN

a building that looks like a pagoda

*Yup looks like a pagoda to me, thank you Merriam-Webster*

# QUOTES TAKEN OUT OF CONTEXT

I gotta have sex with a man on stage! Multiple times! Oh speaking of Cheryl I just did my course eval. We both nugged but I was not gonna get pregnant (this is about having a sex onstage with a man, not Cheryl). Can bugs even get pregnant? like imagine being a dragonfly get to have sex all day and just die. World ending nut.

The thing is Cock and Balls is funny! Like it's funny!

She secretly is a church. Well in the bible the definition of church is the body of Christ. Well it's a really sexy body. yea it is

You know what's funny? No. Yea neither do I

That's so cute of them (in regards to the role of sex and sexuality in organized religion)

Time to go kill and dismember people for fun!!

This is really sexy

Also I think my aunt and uncle are staying in the same room, so don't really want to stay in the same bed as my girlfriend while my aunt and uncle are in the same room.

What the hell!? I cannot understand what my eyes are doing...what the? why do they look like Dogs?

How did your head get so long?

I just wanna find my fucking whales please man

cause my...cause my cora ball...my cora ball ate my bra.

Somethings a little sussy baka about that. I dunno what that is (in an affected British accent)

\*starts growling indistinctly\*

I was fully expecting your wife to be dead. yea no, like the fact that your wife looked exactly like Katie's dead mom. You were both surprised by that.

Is this a flashlight? I hope it's a flashlight. There's a little bit of crustyness around the outside. No one's sticking their peepis in a flashlight.

No she doesn't work here any more she's pregnant. Oh no she was gone and now she's back. Damn that was fast

This is the most alcoholic lube I've ever smelt. I feel like someone is gonna read this and be like 'FUCK FuCK! Not my cum bottle'. If your cum looks like that then you have problems.

Don't take my quotes out of context >\_<

I like it when the main character gets older and gets hotter. You should say 'attributed to my girlfriend'. 'To my ex girlfriend'. \*look of confusion\*. Do I need to leave you guys alone for a sec? Oh no like wanting the older hotter version.

Snoberry spelled S N O. I'm sno not interested

I just want candy, enchiladas, and hummus why is that so hard for the world to accommodate

Can I steal your peep plushie? no please don't. You aren't allowed to steal from us, only from the denisonian. Speaking of which...Nope, nope, there's someone in there. Man fuck the denisonian. Should I put that in?

I feel bad for opening this tea and it just being awful. I'm sure you can just leave it and someone else will eat it later...yea..... How's the diet going?

I tried to eat a hoagie last night. And today I ate a sandwich with salami :) and wheat bread. My tummy is so small but she wants to be so big.

My hands kinda burn rn and I hope it is the battery acid from the flashlight not something else

And I would make myself an actual proper meal...The violence in the denisonian office. \*mimics hitting someone with a folding chair\* They said 'Why aren't they submitting'!! Anyway so I made myself a meal.

I love a Glug

I don't know what's better, Brain tonic of the Immortals or Randy Beefgrass.

This is the most non pornographic picture we could pull up for a before picture, good ole Randy Beefgrass
