FREE SPELLS FOR FINALS

Knowing we're nearing towards the end of this semester and entering finals week, I have definitely felt a dramatic energy shift on campus since returning from break. Typically I wouldn't offer these services for free, but I think we're all in a desperate place right now. Choose your affliction and follow the instructions. For maximum potency, locate quality materials or your local hag for assistance.

AFFLICTION	MATERIALS & STEPS	INCANTATION
Bad grades, poor academic standing, and late work.	3 small stones, 4 twigs, and twine. Coil each twig tightly with the twine. Lay them on the ground in a closed triangle formation with one twig vertically sticking up from the ground. Throw the stones at the stick one at a time, recanting the spell while doing so. If the stick breaks, you will get an A in the class!	<i>"Help! Help! Help?"</i>
Low declining	Mud from a creek, 5 dead oak leaves, and 7 coins from 7 different countries. Dig a hole. Make a small mud pie (roughly the size of a credit card) with the same dirt. Mix coins in. Garnish the top with crushed leaf dust. Eat it whole, chew, and spit back into the hole. Only recant the spell after you have done this.	<i>"So hungry, So hungry, Need food in my tummy. Dirt cake, I give you back."</i>
Can't find parking	A lock of blonde/bleached hair, a nail, and 6 teeth of any species. Nail the hair into the back left tire of the car in your desired spot. Leave the teeth in a circle around the tire. They will never park in that specific location again, and will also need to replace their tire. Repeat the spell three times while you are nailing the hair into the tire.	<i>"Begone, Begone, Begone, Evil wench Evil being Evil machine"</i>
Sexiled by roommate but you're ready to go to bed	1 can of Redbull (any flavor,) 3 finger/toenail clippings, and a pinch of dust from the stacks. Retrieve materials and return to dorm. While chanting the incantation for as long as it takes, mix together outside and carefully pour in a circle formation on concrete.	<i>"Moaner, No more! Boning for, No more!"</i>
Frat flu	2 vials of Holy Water blessed by an Irish Roman Catholic priest from Boston. Say nothing and start chugging.	<i>"....."</i> <div style="border: 1px solid black; padding: 5px; display: inline-block;">- Ellie Schrader, C.I.T (Crone-in-Training)</div>

WHERE'S WEINBERG?

Weinberg is hidden amongst many Waldo doppelgängers, but bonus points if you find cartoon Waldo, as well as famed first-year Winthrop. First person to circle Weinberg, Win, and Waldo and return it to the registrar gets a steak dinner cooked on top of the Beta House broiler when it's up and running again.

FIND THE SNOWMAN!

Uh oh! I lost my snowman in this winter blizzard, but I can barely see! Can you help me find him and those big beautiful eyes of coal...?
