The Bullsheet, a forum for news, humor, and community dialogue, is funded by DCGA, stopped being funny in 2019, and is printed each day that classes are in session. Submissions must be sent before our editors shamble into the office for next day publication via e-mail to: bullsheet@denison.edu. Submissions herein solely reflect the opinions of the authors.

SNAPPY ANSWERS to STUPID QUESTIONS

Editor's Note: MAD magazine will always have such a close place in my heart. My grandpa read it, then my mom, then my sister's and I. Whenever we would get a new issue my mom would read it first and then tell us, "Make sure you read this!" or "That one... not funny at all." MAD has the perfect balance of the dumbest crap you've ever read and then some of the most insightful critique of the world around us. I think that's what's so fun about it, it's self-aware that this could very well be a waste of your money. Although, the Bullsheet is humbly of humble publications, it's exciting that I can now try my turn at satire.
