## WHAT'S YOUR DJ NAME?

On this campus we tend to have parties with terrible music. You might think to yourself at a party “hey why is this the fourth time they are playing doses and mimosas?”. Do you feel like you have what it takes to become one of the best DJs at denison? Do you think that you can play a song that isn’t over played on tik tok? Well I am here to help you create your DJ name. Just use your first and last initials.

## MAKE CAMPUS GREAT AND BRAG ABOUT IT ON YOUR LINKEDIN!!!

Do you have any great suggestions for events at the Moonies? Have you ever thought “Golly gee, I’m just chock full of great ideas but nobody’s willing to help me make them possible”? Do you have roughly two hours a week to devote to making things HAPPEN?

### JOIN THE MOON HALL PROGRAMMING BOARD.

You could be the hot-shot pitching ideas for events that everyone will be talking about for weeks. You could be convincing your parents that you’re getting involved around here. You could be making Denison the campus that YOU want to see.

Scan that QR code, and if that doesn’t work then email Denison’s very own Jade Croucher at [croucherj@denison.edu](mailto:croucherj@denison.edu) If you have the time to read the sheet, you have the time to join the Moon Hall Programming Board. (You’ll get free snacks too!)

## SOUPER SALAD BOLDLY REDEFINED WHAT IT MEANS TO BE A SOUP AND SALAD

In an effort to diversify the food options in Slayter Market, Bon Appetit unveiled the “Souper Salad” this week to the confusion of soup lovers and salad fans alike. “Why not just sell soup with a side salad? Why does the salad have to go on top of the soup?” said a student who waited nearly two hours in line for the new bowl.

## SAWYER HALL MAYHEM!

The Main quad-facing entrance to Sawyer Hall became the scene of a crime Thursday afternoon. Authorities blocked off the walkway and entrance after reports were made of ice mysteriously “falling” from the building onto the sidewalk. Campus Safety did not identify a suspect behind the ice attacks but various students have said they saw a man wearing a dress shirt and suit but no tie standing on the roof muttering something about “discerning moral agents.” This story is still under investigation.

## “BID DAY WAS A MOVIE” SAYS FIRST-YEAR WHO GOT THEIR TOP CHOICE BID

The Panhellenic Sororities welcomed their new sisters last Sunday, with IFC Fraternities announcing their bids today. Students involved in Greek life make up roughly 30% of Denison’s student population, and roughly 100% of students who pay to have friends. Notably missing from this year’s rush festivities was a Rush Guide published by the notorious Wingless Angels. Talk about falling off hard...

## GOT COVID? TOO BAD.

Only a whopping twelve days into the Spring semester, Denison is quickly running out of available isolation housing, AKA Bancroft House. This news comes as an absolute shock to the administration, considering there’s at least two or three, maybe even four rooms in there. For students who test positive and cannot afford to isolate themselves off campus, Denison is providing a mask, one bag of popcorn, and a copy of 13 Going on Thirty starring DU alum Jennifer Garner and telling students to wait it out in their rooms.

## DID I JUST HEAR “PUSHIN P (FEAT. YOUNG THUG)” IN SLAYTER?

As of this week, Doobie Radio has begun streaming music 24/7 in Slayter Union! If students wish to request a song to be played in Slayter all they have to do is bang on the window of the station and hold up their phone to the window with the song showing. DJ’s are legally obligated to honor their request.
