LET'S PLAY COKE AND PEPSI

Coke and Pepsi is a this-or-that, would-you-rather type question game. The premise is simple: read the question and circle the most appealing choice. Compare your answers with friends to engage in intense arguments over hypothetical situations or indulge in all too human delight in being asked questions about yourself--whatever you choose, know it reveals nothing about your personality whatsoever!

- A warlock
- A campo officer

2) How do you like your omens?

- Terrible and forboding
- Sexy but ominous

3) Which icy hill would you rather slide down belly-first like a penguin on?

- Silverstein Slope
- Mitchell Mountain

4) What keeps you up at night?

- Horrific, unspeakable nightmares
- Sexy thoughts

5) How do you like your mammograms?

- Really hard, angry pressure
- Super soft, light squeeze

6) What kind of burial do you want to have?

- Viking funeral on Ebaugh
- Carried through Slayter, buried behind Smith

7) What's your favorite sexual position?
