NEW MASCOTS FOR DENISON UNIVERSITY

THE DENISON DEERS

These guys are hanging around all over campus. Why not name us the deers? They are friendly, lovable, and eat all the grass on the side of the hill.

THE DENISON ICE FALLERS

Just like the ice dropping off of Knapp, we will crush our enemies. This will strike fear into our enemy schools in sports and competitions.

THE DENISON HATERS

If you go to Denison you know that we love to hate. Everyone on this campus hates something about this campus so passionately.

THE DENISON BINGE DRINKERS

It is a friday night and there is a foot of snow outside. This is us at our core. We have issues, but a strong will.

THE DENISON SHITTERS

That Curtis and Huffman is going to make you shit your ass off.

THE DENISON ROBBED-OF-MONEY-IN-ORDER-TO-GET-A-PRIVATE-LIBERAL-ARTS-EDUCATION
Speaks for itself.

THE DENISON SLIVY BEANIES

Everyone has one. Only a few wear them, but we will never get rid of them.

GUM UNDER THE DESK

I have very serious questions for the public. But let me set the scene before I ask my questions. I was sitting in Modern Philosophy minding my own business, and chose to flip up the table part of my chair-desk. Underneath the table part were a few fat pieces of dried gum. This made me think: Why the fuck do people put gum under tables and desks? Is this like a social norm to people? Who raised you to do this? Never once in my life have I thought to put my saliva soaked chewing gum under a table for other people to find. I have never met anyone that does this. I'm pretty sure that it is not real and is a glitch in our simulation. So please, if you put gum under tables, contact the bullsheet or me directly because I have so many questions. Also, stop doing that. You're gross.

GUESS THE ARTIST

These are six revolutionary lyrics from six revolutionary artists. Can you guess who said what?

“She not a lesbian, for P, she turn Pesbian (pushin’ P, I’m pushin’ P)
Off capital P, I rock these Presidents, count presidents (pushin’ P)
Portuguese on her knees, moppin’ down a P
She let me squeeze, then she leave ‘cause she keep it P”

“Said Colt 45 and two Zigzags,
Baby, that’s all we need
We can go to the park after dark
And smoke that tumbleweed.
As the marijuana burn we can take our turn
Singin’ them dirty rap songs
Stop and hit the bong like Cheech and Chong
And sell tapes from here to Hong Kong”

#5

“We been rocking, we been geeking all night (skrt skrt)
Treat my Lambo like a Fisher Price, yeah yeah
I can never let her spend the night
Woke up, cocaine all in my hair, thought it was lice, yeah yeah”

“I’m not gay”
