LET'S TALK ABOUT IT MORE

A graphic with a dark background and glowing elements. At the top, it says "JOIN THE" in pink. Below that, "MOON HALL" is written in large, white, glowing letters. In the center is a QR code. Below the QR code, "PROGRAMMING BOARD" is written in large, white, glowing letters. At the bottom, it says "SCAN QR CODE FOR MORE INFO" in pink. The background features a stylized blue and purple planet and some stars.

Do you have any great suggestions for events at the Moonies? Have you ever thought "Golly gee, I'm just chock full of great ideas but nobody's willing to help me make them possible"? Do you have roughly two hours a week to devote to making things HAPPEN?

JOIN THE MOON HALL PROGRAMMING BOARD.

You could be the hot-shot pitching ideas for events that everyone will be talking about for weeks. You could be convincing your parents that you're getting involved around here. You could be making Denison the campus that YOU want to see.

Scan that QR code, and if that doesn't work then email Denison's very own Jade Croucher at croucherj@denison.edu If you have the time to read the sheet, you have the time to join the Moon Hall Programming Board. (You'll get free snacks too!)
