THE SLAPS THAT CHANGED THE WORLD

You know how Leonardo DiCaprio has a oddly powerful role as the global ambassador for global warming? Well I think that we should make Will Smith the global ambassador for shutting down bullshit.

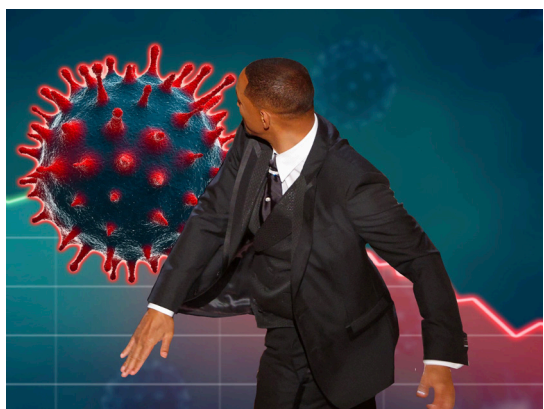

Heres a series of news clippings from when Will Smith saved the world one slap at a time in an alternate dimension <3

Presidential candidate Donald Trump drops out of race after being humiliatingly slapped during the latest 2015 presidential debate

After last night's global warming catastrophe, Will Smith saves the world again by slapping the deadly warming out of our beautiful globe

Will Smith saves the day again after the threat of a deadly virus scientists are calling the "Caronavirus" was slapped down this weekend.

After pulling out of Afghanistan, the United States sent in Will Smith to take care of Al-Qaeda. Another win for Smith and the world.

Right before president Putin was about to declare war against Ukraine, Will Smith came to save the day, slapping the sense back into his twisted head. Putin decided he needed a long beach side vacation instead. #peacenotwar

DRINKS ANYONE?

For all y'all over 21 (or under, I don't encourage but I also don't judge), LETS DRINK. It's not St. Patrick's day but it doesn't mean that we can't drink like it is. Here are some drink recipes that you should try! (Courtesy of Revolution Bars UK).

“ 1. THE SMOKERS COUGH

A mouthwatering combination of Jägermeister and mayonnaise (yes, really) mixed together in shot glass. It looks disgusting and tastes absolutely awful. Well, we can't say for certain because there is no way that we are ever going to try it.

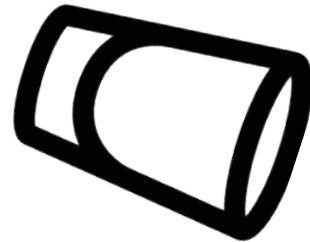

2. The Bath Cure

No, it does not contain actual bath water. But it does contain white rum, gold rum, light rum, 151-proof rum, brandy, and vodka. It's okay though, there is orange juice and grenadine in it too. So, it's pretty much a soft drink, right?

3. PRAIRIE OYSTER

An enticing mix of bourbon, Tabasco sauce, Worcestershire sauce, salt, pepper and raw egg yolk. Now, some people contest that this is actually a decent cocktail. These people need to be avoided at all costs.

4. Motor Oil

Well Jägermeister, peppermint schnapps, cinnamon schnapps and coconut rum doesn't sound so bad, does it? But just wait until you have to swallow that thick, sweet mess.

5. Four Horsemen of the Apocolypse

Jim Beam, Jack Daniel's, Jameson, Johnnie Walker Black and Bacardi 151.

Enjoy. ”
