EAVES DROPPIN

The following quotes have been compiled from random conversations myself and friends have overheard around campus. I think it gives great insight into the day-to-day intellectual dialogue that takes place at this prestigious university. If you think you said one of these things you probably did!

“Sitting at my desk sweating, mouth full of Zyn”

“Do you watch Tiktok, or even read the news?!”

“If we were girls, who would give the best head?”

“I’m not ferda with food”

“She’s rotting on the inside”

“Email spoofing is completely legal in America”

“If they made the Bullsheet every week it could be fire, but instead they make it everyday”

“I don’t think gay people get reparations”

“These bitches are mid”

“I just hope you don’t perceive me as any bit gay”

“Came back to the room, ate strawberries on the toilet, passed out on the toilet”

“She was butch because she was poor, not because she was les”

(In reference to American Girl Kit Kittredge)
