# HOW A DENISON ENGLISH PROFESSOR WOULD GRADE A NOAH CENTINEO SPEECH

Name:

I guess I'm funny. I didn't know that. *ok?*

Thank you! *Out of place. Please introduce your ideas*

*Vague: what is "this"*

This never gets easier. it's always so like nerve wracking, you're like "oh my god people" and I gotta talk and i gotta say things, Cole killed it. Um, thank you netflix thank you Matt thank you Robin Thank you Ace Awesomeness. *yes!*

*Talk more about this. Why?*

Thank you Laura, Cami, Cast crew, I couldn't have done it without you. I just want to say thank you everyone at home, you are the reason I'm on this stage and you are the reason I get to do what I'm passionate about. You are the reason that I have a platform that i can help hopefully make the world a better place. Um, and before i go I just want to say, *yes!*

*Maybe try harder next time!*

It matters not what you've done but what you do with what you've done for others .

*You are headed in the right direction! This is really badly worded, though. ✓*

*Noah, your periods! No consistency!*

Noah,

*thank you so much for your effort on this assignment. You make some claims and definitely have written some words! Even though this is full of egregious errors and it pained me to lay eyes on it, you put in effort! Good for you 😊*

*Final Grade: D-*

*please come to office hours if you have any questions ♥*
