AVERY'S PUDDING REVIEW!

This classic dish known by grandmothers worldwide is pudding at its most fundamental. Good taste but has an off putting texture which takes away from the whole experience.

4/10

While Jello Shots might be stretching the definition of pudding I'm going to go with it anyway. This "snack" is pretty good during the summer which is all you could really want from Jello.

6/10

When ranking my personal favorite pudding only a select few kinds can be seen as perfection. Snack Pack Chocolate Vanilla is perfection and more. A snack that can be enjoyed at any time and anywhere.
