SLAYTER BROKEN DOWN

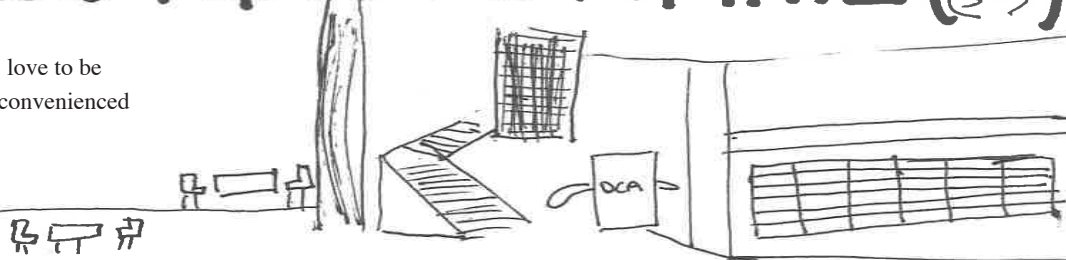

Yes! Slayter Union! The hub of all life on campus. Although there are so many awesome things to do on this campus, one of the top activities here is to spend your whole school day within our sweet little union! And when it comes to our blessed student sanctuary, I think it would be fair to say that each floor brings about a different genre of student. And whether you like it or not you probably fit into one of these categories according to whichever one of these tricky little floors you like to hang out on.
