

The Bullsheet, a forum for news, humor, and community dialogue, is funded by DCGA, stopped being funny in 2019, and is printed each day that classes are in session. Submissions must be sent before our editors shamble into the office for next day publication via e-mail to: bullsheet@denison.edu. Submissions herein solely reflect the opinions of the authors.

## FRESHMEN DISORIENTATION

**Dear Class of 2026,**

Welcome to Denison. It's safe to say that you all are CLEARLY the best group of autonomous thinkers, discerning moral agents, and active citizens in a democratic society that this campus has ever seen. We hope you have enjoyed your first week and haven't ripped too many water fountains/exit signs out of Shorney.

The Bullsheet is here to give you a place to espouse your opinions, engage in constructive dialogue, and to make your mom proud when she googles your name (can confirm this is true). We publish every day for your (but mostly our) pleasure, so be sure to pick up a copy around campus, check us out online, or e-mail Adam Weinberg for a complementary audio recording of the daily sheet.

Above all else, remember to love fully, Live simply, and Laugh at least more than twice a day. We know you need something to do while procrastinating that paper, so feel free to send us a submission. As you will come to learn, we will run just about anything.

As a farewell here are some wise words to help you get through these first few of weeks:

*Beware of the deer. Wash your hands. Thank your Slayter workers.*

*Don't go to Barney Davis after 3am. Push Pan! Get your pets spayed/neutered.*

*You will always have a digital footprint! Please god don't send perishables to the mailroom. Stay true to yourself...*

**Love,  
Staff**
