

The Bullsheet, a forum for news, humor, and community dialogue, is funded by DCGA, needs their writes to submit something soon...and is printed each day that classes are in session. Submissions must be sent before our editors shamble into the office for next day publication via e-mail to: bullsheet@denison.edu. Submissions herein solely reflect the opinions of the authors.

2022 BULLSHEET PLEDGES

Last August, President Alex Pan brought us all into a dark room. Locking the door behind himself, he whispered to us in a sultry tune "The truest expression of pushing Pan, the greatest service you can do for me, is to let new people onto your staff. I'm tired of the same jokes, the same writers, why don't you freshen things up a little bit huh?" That conversation began a long and arduous journey that included such travails as, augury, titration, and many, many bribes, that eventually culminated with the distillation of the ten best candidates. These people, selected from 31 highly capable applicants, shall usher in a new era of Bullsheetery. All rise for the class of 2022:

Emmy Ayad: Emmy Ayad's hobbies include surfing instagram, arson, and stealing things. Despite her vigilante moniker "the Batman" she is very pro-crime! I hope she doesn't get arrested! We'd have to start hiring all over again if she does. We still don't know Mommy or Daddy, but we do know that she lives breathes and pushes Pan, cause afterall, you can't pull him.

Ella Buzas: Ella really enjoys research. Nothing gets her going more that writing a 20 page essay (with sources) about the possibility of Bigfoot existing. Normally we try not to let eggheads on staff, but we decided to make an exception for Ella. Welcome to the crew, "Slayer Waffle Fry (Extra Crispy)". Also Ella submitted the first application, what an overachiever!!

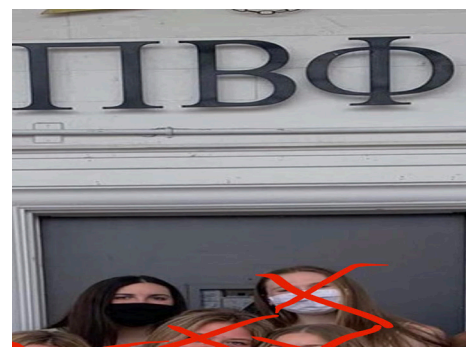

Caroline Concannon: Caroline has decided to bite the bullet and join the Denison Scientrologists (as we advertised ourselves during the 2021 involvement fair). Though she may have no clue where she is in this life, we're glad she could find a home in the 'Sheet. Also she thinks Tarantino and Bigfoot are having dirty, dirty sex right now, which is not a thing we needed to consider. Welcome, "The Drowsy Chopper".

This young man wheres glasses that date back to 12th century china

Griffin Conley: No name quite seized our imagination as much as "Sarah 'Fergie', Duchess of York. Though we may not all agree on the monarchy, we can all agree that the 'Sheet would be a better place without Claire Anderson. Griffin's plan to eliminate our Junior editors, was inspired, artful, and frankly ridiculous. No plan that relies upon a saxophonist using the bathroom before a drummer should ever see the light of day. But, believe it or not, we are glad to see Griffin's evil genius come to light.

Lauren Ehlers: Oh baby, an angel got her wings today! Lauren is a very conflicted person, despite wanting to make their mom proud, they chose Daddy over Mommy. What's with that? She was also completely unable to pick out the dulcet tone's of LBJ's very sexy voice from an audio recording. What even is a bunghole? Though she may not know her presidents at least she knows that Obama is the sexiess president. Long story short, we're sure you made your mom proud by getting on the sheet. Welcome, "Your Secret Admirer".

NEW FACES!?

Brin Glass: Brin is DJ Black Stallion’s biggest fan. She went so far as to tear her teeth out to make a proper Gollum impression (unfortunatley due to a long and protracted illness we were unable to see). We respect the dedication though! Though she couldn’t decide if our lego parrots were siblings or dating, she would be down to have a sleep over as long as her mom says its okay. Tad Cameron [tæd kam-er-uh n], make your way center stage!

Selah Griffin is a resident of Clifton, Ohio, but has been a part of the Yellow Springs community her whole life. Her involvement at WYSO dates back to her education at The Antioch School where she worked on the radio series Zombie High School. She is currently attending Denison University as a journalism major and religion minor. She is a DJ on the student-run Doobie Radio and a staff writer on her school’s newspaper, The Denisonian (and now the Bullsheet). Glad to have you here, “The Birthday Girl”.

Caroline Lopez: Hates the working class. Her **inability** to recognize Dickies (the overalls, not the weird turtleneck things) has led to a sense of **elitism** and overall **air of superiority**. We **hate** Caroline Lopez, if she crosses the line one more time we will hire **ε>Malcolm <3** as her replacement. Also, Caroline, my overalls were Dickies! Get your eyes checked!! Jk, we love you, welcome to the team, “prettylittleliar”.

Carter Seipel: Is Daddy. He would never eat his dominant foot (it’s just too hard) but he would always be down to eat the other. Though the Swasey Bellringers killed his father he somehow was able to swallow this fear and attend our school, all the better for us. Though Blythe might be out to kill him (Blythe was just reallllly cold) we are sure Carter can hold his own given his time watching Big Foot dodge child support. “Soup-bowl” you really fill us up!

Micah Stromsoe DeLorenzo: lives in fear of us, which is probably a good mindset to have. We are very scary people. Though she is willing to exploit our communal latex allergy, at least she seems like she would be nice about it. She knows that above all we at the Bullsheet attempt to have fun in everything we do (as is dictated by our constitution). With her newfound power as a writer in the Bullsheet she will launch a ruthless campaign to eliminate all the misunderstood artists of this world. If you own thrasher t-shirts, watch out. If you listen to artists I have not heard about, watch out. If you hang out behind ASH strumming your guitar, watch out. Though we may not want to I guess we gotta “Sue Sylvester Stallone”.

Well that’s it for our new staff! All of these fine people will soon be filling out sheets upon sheets of laughable material. We can’t wait to see what they have to say!

Thank you to everyone who applied, we had a great time reading what you had to say and look forward to seeing what submissions you might send in.
