IMPORTANT LOCAL BAND INFORMATION

I have a feeling that I can help you out. See, here's the thing. I'm in a band called Waco. We're on instagram @wacoband and you can follow us there. I think that you should think about following @wacoband on instagram. We're already scheduling shows for September and October. Think about how you'd feel if you missed one because you didn't follow us on instagram @wacoband! We make really sick music and we post really sick stuff on instagram. It's been said that we're like the next Nirvana if they were from Ohio and had a really polished and thoughtful social media presence. Follow us! @wacoband

Love,
Ben from Waco @wacoband

MICK'S ADVICE COLUMN

I was in 3rd grade and had a very big vocabulary test the next morning. I did not want to let Ms. Smith, my teacher, down. She was the best and gave scratch and sniff stickers to the A+ "kiddos". My brother, who knew this, decided that instead of being a normal person, chose to let satan motivate his actions. We were playing catch outside and when I wanted to go to my room he decided that he would use his enormous ass to pin me to the ground. He demanded that I yell "uncle" and surrender to his ass cheeks crushing my chest. Still as death closed in on me, all of the pride that a 3rd grader has, was keeping me from yelling "uncle". This fight for freedom and life lasted for about an hour until my mom came home. I didn't end up studying and let Ms. Smith down. All the kids got strawberry scratch and sniffs. And when I looked down at my paper. It was scentless. I want to advise you all to pick and choose your battles. Sometimes you need to set aside your pride and ego. You might get a scented sticker.
