SPRING BREAK M. A. S. H.

Spring Break is fast approaching, and with that comes extensive planning, scheduling, budgeting, and communicating. If you are at a loss for what to do, there's nothing a little game of M.A.S.H. can't fix!

Where are you going?

1. Ohio
2. Florida
3. Old Man Jenkin's Cabin
4. Meemaw's house
5. Oklahoma
6. The Bullsheet Office

How will you get there?

1. Car (and destroy a couple friendships on the way)
2. Plane (might be tricky, depending on your budget)
3. Horseback (hopefully you don't have to go far)
4. Train (choo choo!)
5. Boat (needs water, I think)
6. Walk (better invest in some nice walking shoes!)

What's your budget?

1. The gum wrapper, crumpled sticky note, and stray hair tie in that jacket you haven't worn since 2021
2. \$200
3. 50 dabloons
4. Mom's credit card (lucky duck!)
5. Whatever money you make from drawing heinous caricatures for random people
6. Your soul

Who are you going with?

1. Your parents! Yay!
2. A group of your closest friends
3. Buzzy the Buzzard
4. Nobody. Just you and your thoughts.
5. Adam Levine
6. Rocko from Sesame Street

What are you bringing?

1. A suitcase with all your stuff
2. A quilt that Meemaw made
3. 10 Things I Hate About You on VHS
4. An egregiously incomplete deck of cards
5. An inkpot and a quill
6. A spoon (might come in handy!)

What are you going to do?

1. Go to all the local cafes, but only order Americanos
2. Do leaf rubbings of every plant you come across
3. Homework (don't lie, you know you have some)
4. Answer a riddle from a bridge troll incorrectly and write a Bullsheet article about it
5. Learn how to ride a unicycle and juggle at the same time
6. Reach out to some old friends from high school! We love the toxicity!

THE WALL: A CAUTIONARY TALE

Once upon a time, on a happy little college on a hill, one quite like ours and yet nothing like ours, five freshmen decided to enjoy the beautiful weather. Coming upon a flagpole and the lovely quad that surrounded it, they at last decided to rest their weary feet. So they walked over to a very nice wall. A wall that any onlooker would describe as the perfect place to sit and watch the passerby, and they thought to themselves "ew this place is gross we should talk all the chairs so perfectly placed by the wall, and drag them over to the middle of the grass and then sit there--in these chairs--nowhere near the wall. So they did that.

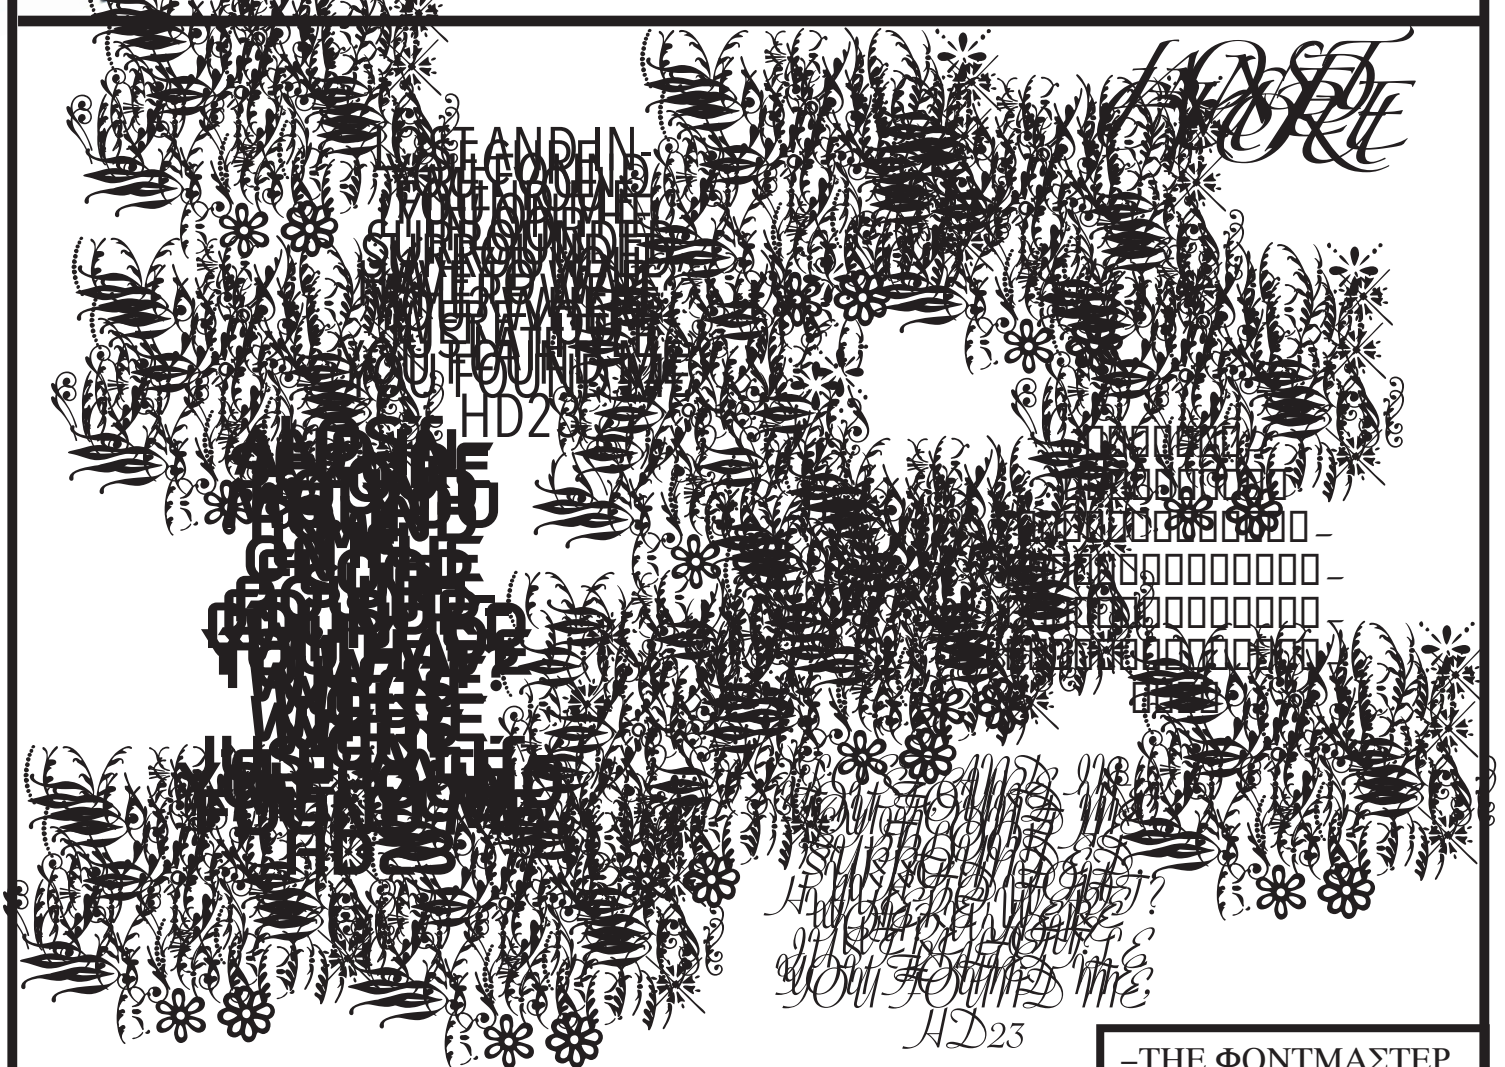

And everyone thought it was very weird because the wall is honestly one of the best parts of campus, and they were treating it like it was nothing!!!

AND THEN A SHARK ATE THEM AND THEY
!!!!DIED!!!!
