“GRANVILLE’S FINEST DAILY PUBLICATION”

Vol. LXIX, No. 116

STAFF AS GWENYTH PALTROW QUOTES

Griffin,
Goop Editor

Betsy- “I really don’t like drunk women; I think it is such a bad look. I think it’s very inappropriate and I don’t like it. I don’t really have drunk friends.” *Not self aware*

Claire- “I know people that I respect and admire and look up to who have had extramarital affairs.” *It’s a small campus... we know what happened....*

Mick - “I fly all the time. Like, all the time. And I’ve gotten pretty good at it.” *Austin sure is a ways away*

Ellie- “I am fascinated by the growing science behind the energy of consciousness and its effects on matter. I have long had Dr. Emoto’s coffee table book on how negativity changes the structure of water, how the molecules behave differently depending on the words or music being expressed around it.” *Has a Berkey*

Will- “Where should I really be? Where is the great bar with organic wine? Where do I get a bikini wax in Paris?” *Studied literature in Austria.*

Evie- “I would be scared to go under the knife, but you know, talk to me when I’m 50. I’ll try anything. Except I won’t do Botox again, because I looked crazy.” *Traumatized by Botched*

Blythe - “I think it’s incredibly embarrassing when people are drunk. It just looks so ridiculous. I find it very degrading.” *Misses the prohibition*

Lauren- “I think that women, especially some in my job, come to me because they know I’m very loving and nonjudgmental, and I’m not competitive, and I’ve been through a lot.” *Has “been through it” and will let you know.*

Caroline C- “When I pass a flowering zucchini plant in a garden, my heart skips a beat.” *Caroline is actually allergic to zucchini, so for her it’s more of a fear thing*

Caroline L- “Every time I have a bikini wax, Cameron Diaz holds me down.” *Cameron Diaz is actually Caroline L’s godmother*

Brin- “We’re human beings and the sun is the sun--how can it be bad for you? I don’t think anything that’s natural can be bad for you.” *No SPF in her skincare routine*

Emmy- “I’m incredibly close to the common woman in that I’m a woman and I’m a mother. We all are in a physical body with beating hearts, with compassion and love. We are all seekers, we all want questions, we all want fulfillment, we want to live our best lives. We want to be healthy and happy and squeeze the most that we can out of life. I think that’s all women.” *MOTHER*

Selah- “I’d rather smoke crack than eat cheese from a tin.” *Big cheese girl and trained cheesemonger.*

Micah- “I remember when I started doing yoga and people were like, ‘What is yoga? She’s a witch. She’s a freak.’” *Not a yogi, but loves spin at Hoaglin*

Griffin- "Taking care of yourself is being there for your kids, like how on a plane, they tell you to put on your oxygen mask first." *Failed Education major*

Carter- "I love the English way, which is not as capitalistic as it is in America. People don't talk about work and money; they talk about interesting things at dinner parties." *Go-to dinner party convo is fishing.*
