THE SHAPE OF DOG

Ellie Schrader
Living in a Dog-Eats-Dog World

Dogs come in so many different forms and shapes, which is one of the reasons we love them so much. Let’s learn about all the different kinds of dogs together!

Classic Dog
Four legs, two eyes, one tail. No complaints here!

Happy Birthday Dog
Don’t make a wish--blowing the flame out will result in its death.

LOVE <3 Dog
Awww, I LOVE <3 this dog!
HATE </3 that it’s bipedal.

Conedog
Battered and fried for your enjoyment.

Wiener Dog
Relative of the Conedog.
Pairs well with potato chips.

Parkour Dog
You CAN teach old dogs new tricks, such as Precision Jumps.

Log
Battered and fried for your enjoyment.

dOg
oooooooooooooooooooo
oooooooooooooooooooo

Is this a dog?
Couldn’t tell you for certain
but...probably, yeah.

Ohio Dog
There’s probably a joke in here somewhere.

Dog
The most unnatural, unsightly creature I’ve ever had the displeasure of laying my eyes upon.

This .. --- .. is a Minimalist.

SUCCESSION PREDICTIONS

Selah Griffin,
Corporate Spy

After Season 4, Episode 3 of Succession, I have deemed that anything in this show is possible. And so - below is my list of predictions for the following ten episodes.

In **Episode 4**, Roman will buy a pet goldfish to cope with his following out with Gerri. Within hours of owning it, he will need to fly overseas and will put Greg in charge of said fish. Throughout the next six episodes; the fish will die repeatedly and Greg will keep having to replace the fish without Roman knowing just like a parent would with a child's pet.

Episode 5 will be the Logan Roy funeral. Tom will not wear black. He will wear pastels "To honor his life," rather than "To mourn his death."

In **Episode 6**, Willa will file for divorce. To buy back her love, Conner will schedule a private lunch for her and actor Rob Riggle (played by himself) in the hopes to further her career in the performing arts.

Shiv will finally have her threesome in **Episode 7**. But, not with Tom. With Willa and Rob Riggle.

Ain't no party like a Kendall Roy party 'cause a Kendall Roy party don't stop. 41 is the new 40. The heiress is in the castle. All of which will be the debated themes for Kendall's birthday party in **Episode 8**. Nothing screams "I'm in mourning!" like a life-sized ice sculpture of the man himself. This is also when we finally get his full cover of Billy Joel's "Honesty."

In **Episode 9** we are left with the cliffhanger of Bridget finally opening her (ludicrously capacious) bag, but the screen goes blank right before we get to see what's inside.

Episode 10 will name Logan's permanent successor, obviously. But, it just ends up being some inside hire HR loser.

Hey everyone, it's me again--Ali Nauen, you know, the one from the play *Birds of North America*. My favorite scene is the one where the birds (all played by me) migrate to North America (also played by me.) Come check it out for yourself. Shout out to my agent and Caro, who are the same person.
