I’M BLACKOUT: A TRIAL IN ERASURE

Lauren Ehlers,
[REDACTED]

Erasure is a literary technique defined by the redaction (or blacking out) of language in a pre-existing work. Here is an erasure I’ve created using the famous and memorably lyrical speech from Martin Scorsese’s *The Wolf of Wall Street*, delivered by Leonardo DiCaprio as Jordan Belfort.

Hello Dear Bullsheet readers,

That’s right– I’m back. It’s been a while since I wrote an article for this lovely little publication because I hit my quota early (go Micah!), but through some divine sense (procrastinating on finals) I’ve been summoned to write once again.

But now– what on earth to write about? What subject matter will make this end-of-year come-back feel worthwhile? For that, there is only one answer; something really, really important. What’s Out and What’s In: Summer 2023.
