Vol. LXIX, No. 120

A FIRESIDE CHAT

Carter Seipel,
Something seems fishy...

After going to Denison for a semester I’ve made some observations that I think should be shared among the masses. I believe my position as a freshman (more commonly known as a “freshie”) also affords me more credibility, as a fresh pair of eyes is usually required for deep analysis.

First and foremost, I’d like to bring up Denison’s bathroom issue. There appears to only be 1 bathroom for every 56.8 students here at Denison. I think that this ratio should be 1:1, so that everyone may use a lavatory in peace.

Another thing I noticed was a lack of lockers. What are we (the good people of Denison) supposed to shove nerds into? I recommend we place lockers throughout the campus area, so we can live out our bully scenarios, and punish nerds for simply existing. This’ll improve morale amongst the student body, and it’ll be real funny hearing cries for help from these randomly placed lockers.

My third and final observation is that Denison is very high up. If it were any higher, I’d be unable to breathe. I believe some of our taller students already pass out randomly during class due to oxygen deprivation. I think we should provide a complimentary oxygen tank to all students above a certain height (5’12” to be precise), so they may not pass out. Another solution is to move Denison to a flatter area (Preferably at sea level) so that no one is deprived of oxygen.

I hope you (the student body) and the faculty take these simple observations into consideration over the following years, as these are pressing issues. If anyone has questions, you can reach me at (614)-582-7573, or at my email carterseipelofficial@hotmail.com. Please remember to credit me, as these are MY IDEAS!!! THEY ARE NOT YOURS!!!

WAIT...FIRESIDE CHAT SURPRISE!

Carter Seipel,
I think for real?

Carter Seipel here, back in the saddle. Did you enjoy that? Well I hope you didn’t, because I didn’t write it. April Fools (belated) idiot!!!! Everything above was written by my friend **MICKAH ANDRE BADASS SCHULD-FIELDS**, a Columbus State goer the whole time! You thought you were enjoying highbrow liberal arts humor, but I now reveal to you that was low-brow community college humor all along. Boy is there egg on your face, I am a golden class trickster.

(POST) APRIL FOOLS PRANKS TO PULL ON YOUR FRIENDS!

Blythe Dahlem,
Foolish Guy

I know you really want to be funny, but let's just face it you cannot come up with many fun prank ideas and April Fools day is coming up (or maybe it's already passed, you can read this article whenever you want or maybe you're still on the Julian calendar). Do not worry! At the Bullsheet, we're paid to be funny people. These pranks will totally make your friends be in shock before laughter ensues!

1. Replace your roommate's toothpaste with a slightly different version of their toothpaste
 - 1.1 This will totally freak them out, they might not notice but they'll start brushing in the morning and be like "what?? This is not the mint flavor that I am used to"
 - 1.2 If you really want to pay attention to detail, you can deplete the new toothpaste to the same level as the old one.
 - 1.3 Then, while hiding behind the shower curtain, repeatedly say "Please wake up [friend name] we miss you"
 - 1.4 Proceed to laugh with your comrade
2. Work with the CIA to start a revolution in your favorite unstable democracy.
 - 2.1 This is a surefire way to spread the message of capitalism throughout the world and defeat the Russians in the Cold War (it is still going on, despite common belief)
 - 2.2 You can easily claim you had nothing to do with it (this is what the CIA does best)
 - 2.3 When your friend is reading the headlines and watching the news 24/7 as we watch history unfold, shout "APRIL FOOLS"
 - 2.4 Laugh hysterically
3. Create a fake job for your friend without post-grad plans
 - 3.1 File all proper forms with the IRS to register your fake company, hire a few fake employees, and then start posting jobs on linkedin, handshake, and more.
 - 3.2 Ignore all other applications that are not your friends.
 - 3.3 Hire a fake recruiting agent to start recruiting your friend (if they haven't found the job yet)
 - 3.4 Have your friend go through interviews, background checks, references, etc.
 - 3.5 Offer your friend the job, a real offer letter and everything
 - 3.6 Once they've finished telling all their friends and family, ask them if they have checked page 3 of the job offer letter
 - 3.7 This is where they'll find the line that says "APRIL FOOLS!"
 - 3.8 Laugh as your friend has an existential crisis

Good luck, and happy pranking everyone!
