## WELCOME HOME FIRST YEARS

Staff

Dear Class of 2027,

Welcome to Denison. It's safe to say that you are all clearly the best group of autonomous thinkers, discerning moral agents, and active citizens in a democratic society that this campus has ever seen. We hope you have enjoyed your first week and haven't ripped too many water fountains out of Shorney.

The Bullsheet is here to give you a place to espouse your opinions, engage in constructive dialogue, and to make your parents proud when they google your name (this is true). We publish every day for your (but mostly our) pleasure, so be sure to pick up a copy around campus, check us out online at denisonbullsheet.com, read us on WhattoDU, or email [REDACTED]@denison.edu for a complimentary audio recording of the daily 'Sheet.

Above all else, remember to love fully, laugh simply, and laugh often. We know you need something to do when you're putting off writing that first paper, so feel free to send us a submission. As you will come to learn, we publish *almost* anything.

As a farewell here are some parting words and sage advice to get you through your first few weeks:

*Thank your BSA's*

*Lead with love*

*Push Pan (forever and always)*

*Be epic.*

**CALL YOUR PARENTS**

*Walk as fast as you can every-  
where all the time*

*Sm:)e, it looks good on you ;)*

*You cannot live off of only Curtis pizza,  
But you can try*
