Vol. XLIV, No. 4

WHICH (fake) DENISON ORG DO YOU BELONG IN?

Emmy,
trying her best

Is your first week at Denison not delivering in the way you thought it would? Maybe you just haven't found your people yet! Take this quiz for a look into these few clubs that didn't get a table at the involvement fair due to "legal reasons"!

1) Your professor has given you some work time! How do you spend it?

- a) Looking over the top of my computer to spy on my classmate in the corner. They're up to something, I'm sure of it
- b) Spend the entire time having an animated conversation with my friend across the room only to realize they weren't actually looking at you, or in class that day
- c) Sleep. Sleep all your problems away
- d) Perfect, I can use this time to work on my from-memory list of Cheesecake Factory menu items

2) How many pillows do you have on your bed?

- a) 5 body pillows, both as decoys and defense lest an assailant breaks in
- b) I usually have one, unless I don't, in which case I think my roommate stole my pillow again
- c) Enough to cushion me in case I roll off in the middle of the night. My floor is also covered in pillows, just in case
- d) Oh... I did mean to get a pillow. That's what I was forgetting

3) If you were a model for a stock photo company, what genre of photo would you specialize in?

- a) I would be taking the pictures, no one get to see my face
- b) People having fun with vegetables, lettuce is my favorite!
- c) Partying, baby!
- d) You know those ones with the really exasperated students with their heads in their hands?

4) Uh oh! Your house has been burgled! How do you recover your items?

- a) I know what to do. My blades are sharp.
- b) Maybe if I wait patiently, they'll bring my things back!
- c) I probably just forgot where I put my stuff, it happens all the time
- d) I bet I can blackmail them into giving me my things

5) Describe your perfect Sunday:

- a) Everything goes according to plan.
- b) Maybe this time, I won't trip and fall in the lake!
- c) Nothin' but the high-brow IPAs, none of this Natural Light stuff
- d) I like Saturdays better

RESULTS !!

Mostly A's - Denison Assassin's Society:

Whoa there tiger! You're in the right place! So glad you're in the Assassin's Society! You can blink more than 3 times an hour, we're all friends here! For you, there's a direct route to the top and you will take it by any means necessary. I won't get in your way and be sure to show this to others so they won't either. Go get 'em! But remember there are some restrictions in your way that you unfortunately can't get around, like the morals of other and the law.

Mostly B's - Curtis Apologists:

Welcome to the Curtis Apologists! It's ok, we can't all be winners! Life isn't perfect and neither is your taste but I won't be the one to tell you that. I'll just tell you that I respect your unique opinion and that I could never be brave enough to express it. You're the type of person to order a huge gob of mayo on a deli sandwich then request it be toasted.

Mostly C's - Beer Tappers:

Let's get those fingers snapping and those toes a-tapping! You'd be in the Beer Tappers, the show-choir/drinking club sweeping the nation! Every meeting begins with a game called "Take a Shot if You're Out of Line"! And they use the term "out of line" very liberally. If you can learn all those steps while hammered, just imagine how much more coordinated you'll be sober! Self-improvement is the first clause of the Beer Tappers' constitution and they take it very seriously. Good luck out there! Remember your lines!

Mostly D's - The Resume Club:

You're in the Resume Club! Congrats! Not all of us have busy and exciting lives, sometimes we like to sit in a dark room, contemplating how toasters work. And that's ok! In the Resume Club, you can beef up your extracurriculars without the pesky step of actually showing up to things. The Resume Club can stay on your resume as long as you think about it once every 3-5 years. But no one really keeps track of that, so you do you and leave your resume untouched for 7-9 years like the rest of us (right, guys? guys?).

OVERHEARD (SUMMER EDITION)

Anon (I'll never tell)

"How did she swing by the state of Ohio?"

"It's the Sound of Music, bruh!"

"He told me I was the weight imbalance and should switch seats."

"The more you learn, the sadder you'll get."

"I mean, my nose smells scents."

"I overdosed on TUMs."

"Who stole my SIM card??"

"You're going to dilute the gene pool."

"This will 100% be getting weird."

"Less smoking, more fucking."

"This is the first time I've talked to people who aren't 10 years old in weeks. It is awesome!"

"Would you rather have a 401k or a Birken Bag?"

"My mom would be mad—if I didn't bring a knife."

"I'd wet the bed when I dreamed of peanuts since it sounds like penis."

"She's a salivator, that's for sure."

"What's he doing? And why does he have a big butt?"

"When I do things, I try to do my best."

"Finders loser, weepers keepers."
