DENISON BULLSHEET MEMES

2012 was a very important year. The London Olympics happened, Nicki Minaj released her magnum opus “Pink Friday ... Roman Reloaded”, Gossip Girl was revealed, Justin Bieber and Nicki Minaj made the “Beauty and a Beat” music video. But most importantly, The Bullsheet ran a Facebook page called “Denison Bullsheet Memes.”

From March 31st to November 30th, the page uploaded original memes that had been submitted to the Bullsheet, and man are they are a blast from the past. Remember when all you had to do to be funny was put top-text bottom-text impact font on that picture of that dude from the Matrix? So funny!!! Enjoy some 11 year old memes and Denisonian slander.
