## 5 THINGS TO DO IN COLUMBUS

Carter Seipel,  
Columbus born n' raised

Are you new to the old C-Bus? That's right. That's what we call Columbus in Columbus, Ohio. Carter is the name, and in Columbus I was born and raised. Staying at home playing video games is in fact where I spent most of my days. So are you looking to get away from your home on the hill? Trying to hit the town with your "boys?" Or are you wanting to take a short day trip on an acid trip? You're in luck! Well I don't know where you can find ethically sourced acid, but I am indeed the number one person who can tell you the best things to do in Columbus (long for C-Bus).

1) Leave.

2) Look for parking. Make sure you're in the car with your two loudest friends from opposing political parties. It's always good to have friends who are different from you, plus you'll get the added benefit of feeling super relaxed and calm in a quiet car as you circle around the block multiple times looking for a space to squeeze into.

3) Go to OSU. Sick of campus? Try another campus! I mean there's plenty to do there such as walking around tripping students and shouting "Denison is better!"

4) Go for a walk in the city. Just walk around for a bit until you spot something fun. It's not that big of a city, you'll find something fun eventually!

5) Get a coffee. It's called c-bus, what do you think the C stands for? That's right, Coffee. As in Coffee can be found in Columbus. And it's true! Coffee can be found in Columbus! Go drink it!

There you go, five things to do in Columbus. I hope you found one to five things to do. And if you didn't? Good. I mean seriously, why is it my job to tell you what to do in Columbus? Go try reading one of those
