CHRISTINE'S FNAF REVIEW:

Having only watched the first ten seconds of the trailer

Christine,
Transcribed in the
Bullsheet Office

“He's gonna get the security job at the place. He's gonna go, have a little on-boarding, see what its like working there, and then his first night he's gonna hear some weird noise and be like "What the hell?" And then he's gonna ask the manager "is this normal?" And the manager is gonna be like "yeah! Yeah!" And then he's going to continue his job for four more nights unless he bows out before then. And then on the fifth day, um, hes going to survive and then quit the job.”

LOST
