“NICE”

Vol. XLIV, No. 69

WHAT ROLE WILL YOU PLAY THIS HOLIDAY?

Eleanor Mason, Ghost
of Christmas Presents

You know all the classics (wine aunt, tiny loud cousin, etc.). Now it's time to find out how your family (friends, professors, cellar rats) view you!

What is your favorite part of the holidays?

- A: Gift giving. I love me that warm tingly feeling that only fuzzy socks for grandma can provide.
- B: Gift receiving. Giving gifts is fine and all, but I'd really rather get 'em.
- C: Family NERF fight. This time I'll end my 8 year old niece's reign of terror once and for all.
- D: Gift stealing. The disappointed faces and frantic 911 calls bring joy to my very soul.

What is your favorite holiday movie?

- A: Love Actually. What a tender and beautiful (sappy and dated) holiday rom-com.
- B: Home Alone. Yeah, gettem' Macaulay Culkin!
- C: Die Hard. Is this a holiday movie? Who cares, it's rad as hell.
- D: None. I don't watch films and I don't plan to start now. The holidays are for sitting in silence.

What would you most like as a gift?

- A: I don't need gifts. The joy of spending time with family and friends is enough for me (well aren't you just a peach)
- B: I wanna new bike, and a phone, and a Lego set, and a T-rex toy, and new jammies, and...
- C: I don't care what I get, I just wanna take butt and kick names! Or something.
- D: Someone else's two front teeth.

Answers:
Mostly A's: Oh you sweetheart you! You are "The Romantic." Lots of people adore you for your kind heart and generous demeanor. Others hate you for the same reason.
Mostly B's: You are "The Child." You are an innocent soul, and, even if you come off as a bit immature sometimes, you are still a delight to have around during the holidays. Keep doing you, sport.
Mostly C's: You are "The Fighter." You head home ready to rumble and come back with blood on your fists. You'll win the gingerbread house competition if it's the last thing you do.
Mostly D's: You are "The Grinch." You're evil, mean, and nasty, and very few people like you. And you wouldn't have it any other way.
A Mix: You are "The Enigma." Who are you? What will you do next? You never show your hand, and your family is always on their toes waiting for your next move.

THE STUDY ABROAD BUCKET LIST

Emmy and Selah,

Crivvens! Blimey! After five semesters of this madness, we are off to seek greener pastures. We know all our loyal readers are eager to see what we'll be up to for the next 3.5-5 months and we are nothing if not for the people. After careful consideration we have whittled our study abroad bucket lists down to ten goals. Enjoy!

Emmy (Scotland):

- 1) Resemble a non-humanoid block of ice and terrorize the village whenever I find it appropriate
- 2) Get hired as the youngest ice hockey coach the Elite Ice Hockey Team has ever seen
- 3) Earn the nickname "Bloody Emmy" after my insistent persecution of unnamed religious groups
- 4) Run down a castle hallway at midnight in a flowy dress while holding a candelabra
- 5) Lose spectacularly as the youngest ice hockey coach the Elite Ice Hockey Team has ever seen
- 6) Say "NO" when offered the national dish of Scotland (a mixture of sheep lungs and oatmeal packed into a sheep's stomach)
- 7) Star in and produce a soon-to-be cult classic Scottish film
- 8) Sit by the sea and reflect on my time as the youngest ice hockey coach the Elite Ice Hockey Team has ever seen
- 9) Seek out an eccentric witch and have her grant my ill-fated wish.
- 10) Undo a beastly curse before it's too late.

Selah (England):

- 1) Ride on both stories of a double-decker bus
- 2) Make friends with a group of British teens who are trying to grow up and find love and happiness despite questionable parenting and teachers who would rather be friends (and lovers) than authority figures
- 3) Fuck Sacha Baron Cohen
- 4) Headline Glastonbury at 21 years old
- 5) Convince Paul and Ringo to get the band back together!
- 6) Call someone a cockwomble
- 7) Have a hairy giant reveal that I am an orphan and inform me that I've been accepted to a school of witchcraft and wizardry
- 8) Call someone a cunt
- 9) Inherent a ring that holds the power to control the entire world and join a fellowship of hobbits, elves, dwarfs, and men on a mission to destroy the ring by casting into the volcanic fires of the Crack of Doom where it was forged
- 10) Expand the British Empire
