"WE ARE STILL SOOOOOOOOOOOOOOOOOOOOOO BACK"

Vol. XLIV, No. 73

SEIPEL'S INAUGURAL ADDRESS

Carter Seipel,
New and Unimproved

What's this? A new editor? You are correct. I Carter "The High-Pitch Noise" Seipel am now the proud editor for Wednesday's Bullsheets. Let me just say it's an honor to be elected to such a powerful position. A position I will no doubt abuse. As we all know, the best comedians have a mission. Mine? Make as many people smile, that way they'll be more likely to give me money in the future. Excited? In my sheets you will find absolutely no typos or lazy jokes (see "typos") or over-explaining of jokes (see "see typos"). Font will always be on point (12 to be exact) and spacing will be more than fine. So get excited! Nothing but new and innovative jokes from here on out!

NEW YEARS RESOLUTIONS AMIRITE???

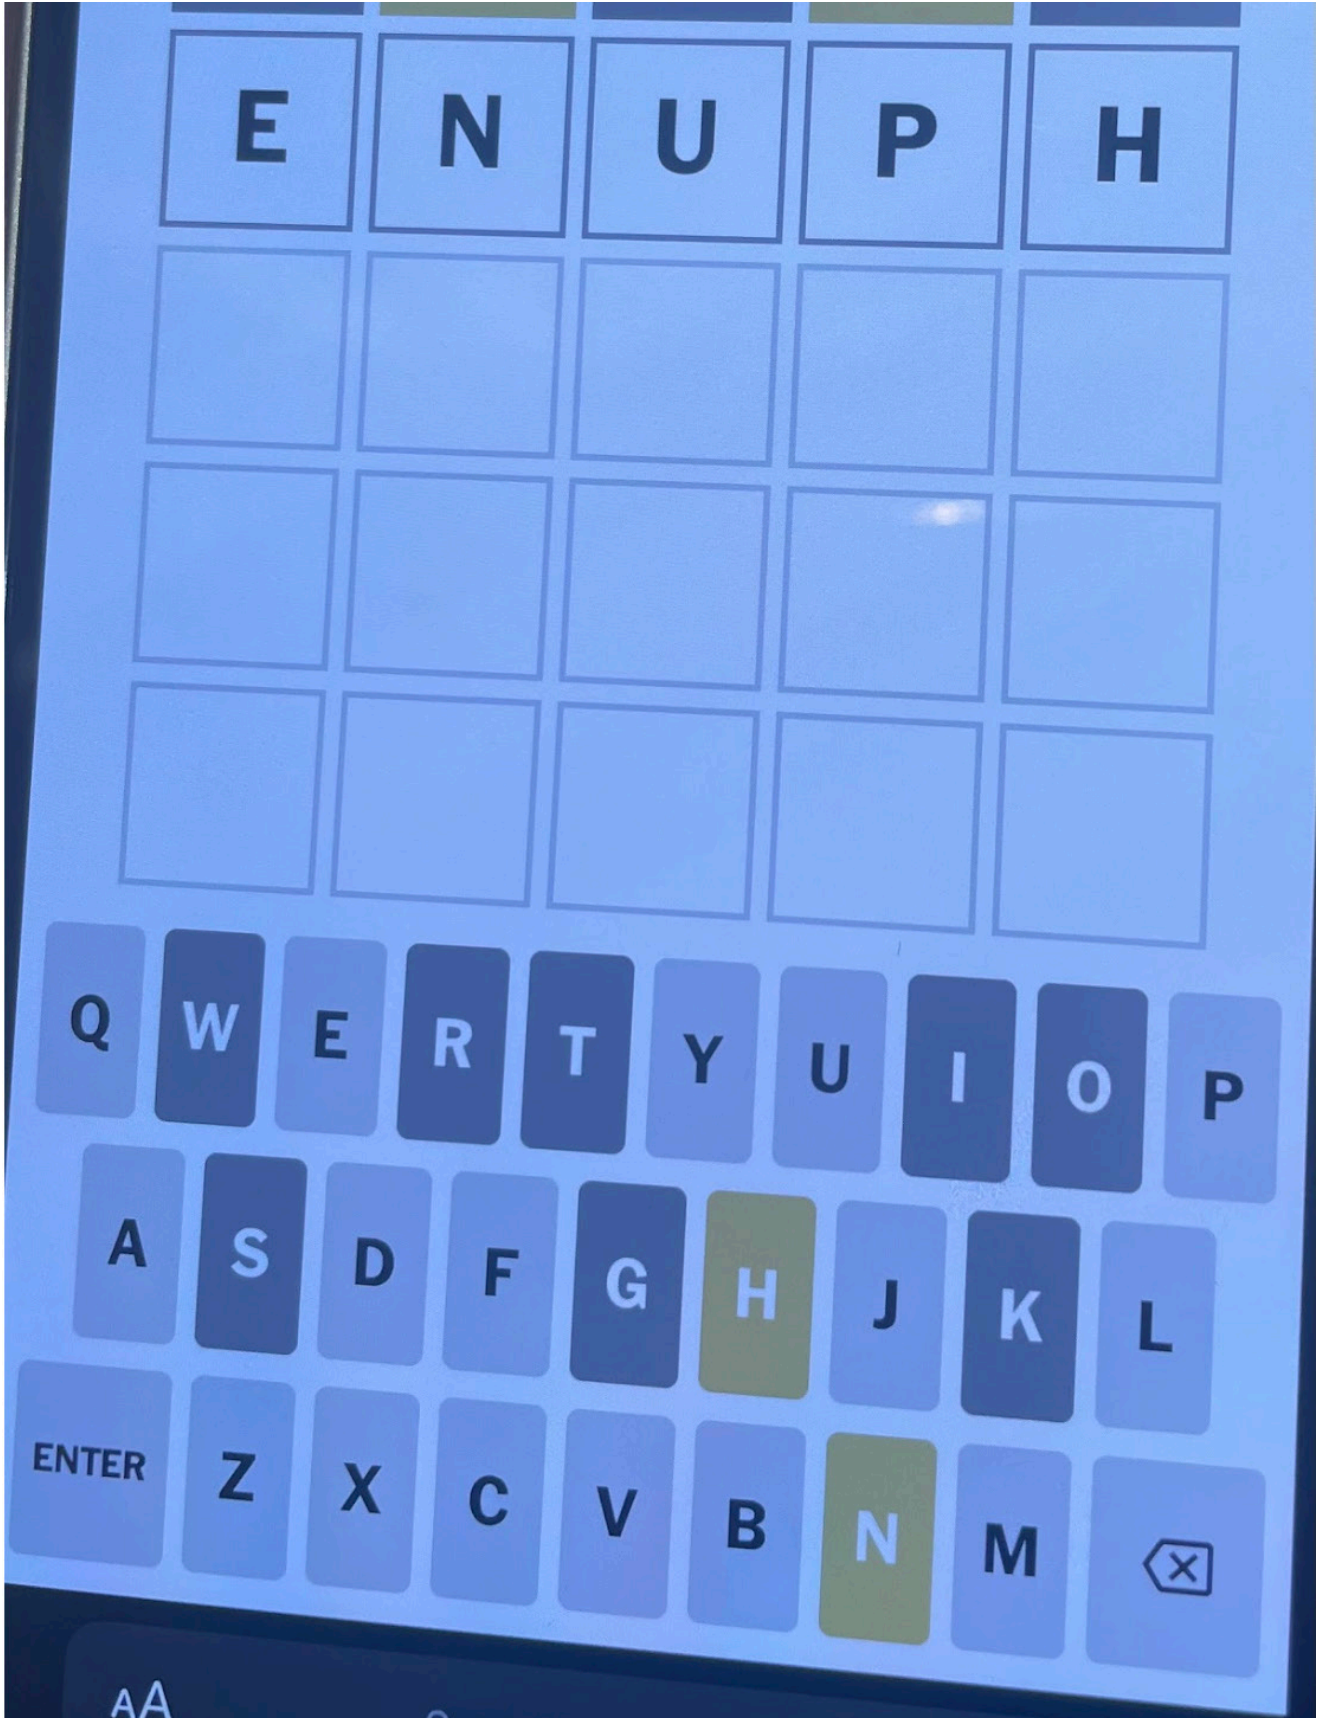

Carter Seipel,
In Fact Right

I've been around for quite a few new years so I know a thing or two about resolutions. Most people set a resolution pledging to make a positive change for the year ahead. These changes could include reading more, trying jazzercise, or eating less almonds. You may have set a helpful resolution too, but did you know there's nothing in the rule-book that says a resolution has to be positive? You can set evil resolutions too! In fact for 2024 I've only set negative resolutions so that it'll be easier to improve myself come 2025. Some of my bad resolutions I'm (legally) allowed to share are...

Start saying "where's my hug at?"
Only tip in spare change
Trip more dogs
Intensify eye contact with everyone I meet
Stop covering my mouth when coughing
Covet
Sing praise of Elon Reeve Musk
Only wash hands when no one is looking
Cut down on turn signal use
Yell on the phone in public spaces
Correct people who still call X "twitter"
Stop recommending the Bullsheet to every person I know
Ignore all of the reels my friends send me

YOU ARE

Leah Jackson,
Enuph
