CARTER'S LONG AWAITED RESPONSE

Carter Seipel,
Gossip Train Victim

Last week my name was sullied by fellow Bullsheat-er and part time divorce attorney Caroline “Middle Name Hidden From the Public Eye” Lopez. On February 1st 2024 she had this to say about my (l)awfully wedded wife:

“All this wife talk, but Carter's never told us his wife's life story. Who's to say she's not already settled down with someone else? The lying and secrecy has got to stop, Carter. [...] Choose your words wisely, I would even begin drafting a response in the next couple of hours. We can't count the amount of people who have come to our divorce services with cheating accusations, and we're starting to see a pattern. Guess what it spells? C - A - R - T - E - R.”

Frankly? I'm appalled. It's hearsay I say! I am many things; lazy, uncaring, and a crook, to name a few, but I am no infidel. I am not a home wrecker. If anything I'm a home-maker! I just made that phrase up but it speaks volumes about my character. I would never steal anyone's partner! I have principles, however in the event I were to steal someone's partner I surely would pick someone better than my wife. I mean have you met her? She's the worst! A real henpeck my wife is. I'd be lucky if she had another family to keep her busy and away from me. Unfortunately I am the poor soul who has to endure her excruciating questions such as "Does this outfit look good on me?" which she often asks before sneaking out of the house for hours on end.

Do you really think my wife or I would be seeing someone else after making a legally bound vow of commitment? A vow which was sealed by blood no less! We would never even think about having an open marriage, seeing how we're as closed off as any two people could be with one another. Yes I'm afraid it's true we're both in it for the long haul! Am I happy about being in it for the long haul? Well lets just say I'm a simple, honest, hard-working American man who is above all else, monogamous. Don't believe me? Would an honest man admit to slipping down the steps in Eisner on January 24th? I think not!

Furthermore, would a dishonest person delve into such an honest journalistic pursuit, such as writing for the Bullsheat? Unfortunately one person did, and her name is Caroline (Lopez). We should have seen her dishonesty coming! If you take the C, A, R, O, N out of her name, what do you get? Lie. Do not trust a single word she writes! This includes last week's claims that I am some sort of leading cause of divorce. I cause no such legal disputes. The only court I find myself in, is the food court. Do I have to remind you all that I'm only a simple, honest, hardworking American man who is above all else, monogamous?

Hopefully this clears the air (and my name) for our loyal readers. I hope going forward The Bullsheat is able to remain a friendly work place free from gossip and rumors. If not we may put out an ad for an HR team. Until then, I promise to drop the subject and continue telling the hard hitting truth.

ACTUALLY I LIED, ONE MORE THING

Carter Seipel,
Still Hurt

In the now infamous article I spoke about on the other side of this sheet **Caroline** claims that we don't know much about my wife. This isn't true! I'd like to think after appearing in this daily publication nearly a year ago we've learned a lot about this wife of mine. For instance we know...

- She and I are not practicing infidelity (see this sheet)
- We swore off physical touch for lent, and never picked it back up afterwards (see the sheet from November 7th 2023)
- She once ordered a Cobb salad and an Arnold Palmer at Taco Dan's (see the sheet from November 3rd 2023)
- She's old. Like super duper old. Dinosaur old even (see the sheet from August 28th 2023)
- We first met when our hands accidentally touched while reaching for the last minion themed disposable face mask (see the sheet from April 17th 2023)
- She fell victim to carbon monoxide poisoning (see her first appearance from March 20th 2023)
- She's the worst (see any mention)
- And the list goes on (it doesn't).

Now only if we knew her name...

WAS THAT SERIOUSLY A LIST OF EVERY MENTION OF CARTER'S WIFE?

Carter Seipel,
Wife Guy

Yes it was! I think so at least, like my good friend Rag'n'Bone Man always says "I'm only human after all." While scouring the archives for any mention of my wife I made sure to tag them on the ol' website with a tag called "Carter's Wife." This basically means all the wife lore will be in one category. Why did I do this? Was it so I could easily explain why so many people think I'm married? No. Was it to encourage more writing about my wife? Not quite. Was it simply a way to procrastinate more important work? Perhaps, but I'd like to think I spent my night cataloging every mention of my wife because I'm simply an honest, hardworking American man who is above all else, monogamous.
