Hey there! Griffin Conley '25 and Claire Anderson '24 welcome prospective students to campus with totally-not-a-cardboard-cutout of President Adam Weinberg.

## Welcome to Denison, Prospective Students!

### STAFF

Hi prospective students! We're so glad you're here, all five-hundred-thousand of you! The Bullsheet would like to be the second

group to welcome you to campus, after your tour guides. You may be told we're the campus satirical publication and that we publish the Bullsheet every day that classes are in session. This is true! We are awesome, we

know. What they won't tell you is that we swallowed the Denisonian whole and now we look like them! We got super hungry! We are here to answer your questions, offer advice others are too scared to give you,

and to let you know that junior year sucks and it does get better. I mean just look at us. Enjoy this special Junior Visit Day edition of the Bullsheet.

## Claire and Griffin Answer the Questions You're Too Afraid to Ask Out Loud

**"Why Ohio?"**

Why not? Do it for the bit.

**"What does a normal room look like?"**

Soooo many walls. Windows. Minimum one door, one ceiling, one floor. If you're lucky, closet. If you're not, Narnia esque wardrobe. Hard wood floors, JK! They're vinyl. We don't want to give too much away, you'll find out when you get here.

**"Why don't the students look happy to see us?"**

They thought today was the start of Naked Week.

**"Are the dining halls always this slow?"**

No, but yes, lowkey sometimes, but also like never, but yes if you go at 12:20 on Monday, Wednesday's, or Friday's.

**"Why can't I just go talk to a football coach?"**

It's nap time, they're all at home, it would be really rude to disturb them.

**"Why is swimming so popular?"**

Who doesn't love a straight-line sport. They walk in droves and wear big coats. You know a swimmer by their NCAA Championship backpacks.

**MORE ON THE BACK!**

# Claire and Griffin Can't Stop Yapping!

## "What are the parties like actually?"

Honestly they're pretty fun. TBH I like to start in one friend's room. This way we can feel out what the vibes are before we leave the pregame and we can also get to the "same level". After that it depends on the night. If it is a slower night, we'll head over to a Senior apartment and go from there. Usually, an apartment party is a guaranteed good time. Either concert or dancing, you'll have fun. On those nights you need something different, North Loop is where it's at. If I want to feel and be hot, we hit up Sunset. Best place if you want to actually dance. If it's more of a stand around and be cool kind of evening, DChi & Phi Psi are the ultimate hosts. You can not get better people watching on North Loop than their patios. When DChi isn't hosting, I beeline for the Beta Basement. You're not a campus band unless you've played those plaster walls. If none of these options are hitting, I'll wander between North Loop and the Sunnies a bit more. A good night will end at either the Nest or the Bandersnatch or Good (iykyk). My Nest order is typically a pizza or the nightly special. My recent Bandersnatch love is a milkshake with chocolate sauce and peanut butter, but not Reece's!

## "Which bar accepts fakes?"

The Bullsheet does not condone nor encourage underage drinking. We would never give this away for free. We would, however give this information away for a crisp twenty.
